2020 Summer Olympics
Tokyo, Japan • July 24, 2020 – August 9, 2020

Let Tuttle introduce your customers to “all things Japanese” and learn more about the Japanese culture—whether they’re attending this multi-sport event in person or from the comfort of their living room!

“In 2017, a record 28.7 million foreign tourists visited Japan, around 20% more than the previous year. The administration of Prime Minister Abe Shinzo has set ambitious targets of 40 million foreign visitors by 2020.” —Nippon.com

“Japan is likely to spend at least $25 billion and possibly more for the 2020 [Olympic] Games.” —The Washington Post

A Brief History of China
Dynasty, Revolution and Transformation: From the Middle Kingdom to the
People's Republic
Jonathan Clements

Key Selling Points:

- This book presents a concise account of 5,000 years of Chinese history from its
early prehistory up to the present day—written in an accessible style for a
popular, non-academic readership.
- Includes 32 pages of full-color photographs showcasing the beauty and wonder
of China's long history, its land and peoples, and its rich cultural heritage.
- Author Jonathan Clements is an experienced China expert who has published
many books on Chinese history and culture. He is also a TV presenter for the
National Geographic Channel and has presented two seasons of Route
Awakening as well as other cultural and historical programs.
- All other single-volume histories of China are old and very academic in tone; yet
are selling well (see comps below).
- Huge numbers of English speakers visit China every year to learn about China's
culture and history. There is no other single-volume non-academic history for
them to read.
- Most high schools and colleges offer courses in Chinese history and are in need
of study materials.

Summary

For millennia, China was the largest and richest nation on earth. Two centuries ago,
however, its economy sank into a depression from which it had not fully recovered
—until now. China's modern resurgence as the world's largest nation in terms of
population and its second-largest economy—where 800 million people have been lifted
out of poverty in the space of a few decades—is the greatest untold story of the 21st
century.

A Brief History of China tells of the development of a rich and complex civilization
where the use of paper, writing, money and gunpowder were widespread in ancient
times and where silk, ceramics, tea, metal implements and other products were
produced and exported around the globe. It examines the special conditions that
allowed a single culture to unify an entire continent spanning 10 billion square
kilometers under the rule of a single man—and the unbelievably rich artistic, literary
and architectural heritage that Chinese culture has bequeathed to the world.

Equally fascinating is the story of China's decline in the 19th and early 20th
century—as Europeans and Americans took center stage—and its modern resurgence
as an economic powerhouse in recent years. Today China is a land of gleaming
skyscrapers and expressways with the world's largest consumer economy, its biggest
network of high-speed trains and a digital infrastructure second to none. But China is
also beset by problems—a seemingly homogenous culture with 55 ethnic minorities
and a top-down political system where checks and balances are largely absent.

In his retelling of a Chinese history stretching back 5,000 years, author and China-
expert Jonathan Clements focuses on the human stories which led to the powerful
transformations in Chinese societ...
A Brief History of Korea
Isolation, War, Despotism and Revival: The Fascinating Story of a Resilient But Divided People
Michael J. Seth

Key Selling Points:

- This book outlines Korean history from its ancient beginnings to the story of a divided people in search of peace.
- Anyone interested in the history of Korea, China and Japan will be interested in this accessible story of a land that has been fought over for centuries.
- The book includes two 16-page color photo inserts.
- The author, Michael Seth, is a professor of Korean history who has written several books on the history of Korea.

Summary

Exploring Korean history from its ancient roots to the present day, A Brief History of Korea is the story of a people with a rich and united culture that has become two Koreas in modern times—one isolated and secretive and the other among the world's most successful economies. Korean culture developed on a 600-mile-long peninsula, bordered on the north by mountains and three sides by the sea, set apart from the Asian mainland.

Korea was one of the last countries in Asia to be visited by Westerners and its borders have remained largely unchanged since it was unified in the seventh century. Though it is one of the world's oldest and most ethnically homogeneous states, Korea was not born in a vacuum. Geographically isolated, the country was heavily influenced by powerful China and was often used as a bridge to the mainland by Japan.

Calling themselves as "a shrimp among whales," Koreans borrowed elements of government, culture and religion all the while fiercely fighting to maintain independence from powerful neighbors. This fascinating book tells the story of Korean domestic dynasties, empires and states, as well as foreign conquest, occupation and division. Today, the two Koreas are starkly different—North Korea a nation closed to the world and South Korea an economic powerhouse and center of Asian democracy.

Korea's history is a turbulent one, but ultimately the story of a resistant and resourceful people in search of lasting peace.

Contributor Bio

Michael Seth is Professor of History at James Madison University. He has authored several books on Korean history including A History of Korea: From Antiquity to the Present, A Concise History of Modern Korea: From the Late Nineteenth Century to the Present, A Concise History of Korea: From the Neolithic to the Nineteenth Century and Education Fever: Politics, Society and the Pursuit of Schooling in South Korea.
A History of Tokyo 1867-1989
From EDO to SHOWA: The Emergence of the World’s Greatest City
Edward Seidensticker, Donald Richie, Paul Waley

Key Selling Points:

- Renowned Japanologist Edward Seidensticker's masterful history of Tokyo, the world's largest city
- With a preface by Donald Richie, one of the foremost experts on Japanese life and culture and a close personal friend of the author, along with an introduction by geographer Paul Waley, author of several important books on Tokyo
- Sprinkled with interesting vignettes throughout, making the narrative highly readable and entertaining

Praise for the original edition, Low City, High City and Tokyo Rising: "These two volumes by Edward Seidensticker may well be the envy of every university press: they are books which deserve to be on every scholar's shelf, which should be assigned regularly to students in classes and which are desirable leading for amateur historians and tourists alike." —Thomas Stanley, Director Walk Japan Limited, retired Senior Teaching Consultant, the University of Hong Kong

Summary
"This is a freaking great book and I highly recommend it...if you are passionate about the history of 'the world's greatest city,' this book is something you must have in your collection." —JapanThis.com

Edward Seidensticker's A History of Tokyo 1867-1989 tells the fascinating story of Tokyo's transformation from the Shogun's capital in an isolated Japan to the largest and the most modern city in the world. With the same scholarship and sparkling style that won him admiration as the foremost translator of great works of Japanese literature, Seidensticker offers the reader his brilliant vision of an entire society suddenly wrenched from an ancient feudal past into the modern world in a few short decades, and the enormous stresses and strains that this brought with it.

Originally published as two volumes, Seidensticker's masterful work is now available in a handy, single paperback volume. Whether you're a history buff or Tokyo-bound traveler looking to learn more, this insightful book offers a fascinating look at how the Tokyo that we know came to be.

This edition contains an introduction by Donald Richie, the acknowledged expert on Japanese culture who was a close personal friend of the author, and a preface by geographer Paul Waley that puts the book into perspective for modern readers.

Contributor Bio
Edward Seidensticker (1921-2007) was a distinguished translator and scholar who was responsible for introducing the works of a number of important modern Japanese novelists to the English-speaking world. At the time of the writing of this book, he was spending half of the year in New York where he was Professor of Japanese at Columbia University and half of the year in Tokyo. He is widely known for his translation of The Tale of Genji, which he described as "a labor of love"—it took almost 10 years to complete. He also wrote several nonfiction books about Japan and was awarded a National Book Award for his translation of The Sound of the Mountain
Dharma Delight
A Visionary Post Pop Comic Guide to Buddhism and Zen
Rodney Alan Greenblat, Richard Thomas

Key Selling Points:

- Written by a pop artist whose work (including from this book) has been exhibited in major cities throughout the US and Japan
- Makes Buddhism more accessible than ever to newcomers
- A source of fun and pleasure for readers of all ages and all paths

Summary
Wisdom comes in many forms, and the search for wisdom has many expressions. In Dharma Delight, celebrated New York abstract artist and Zen student Rodney Alan Greenblat uses lighthearted, inviting narrative and vivid pop art paintings to celebrate the joys of living life from the inside out.

Part graphic guide book, part personal testimony, part art book, Dharma Delight illustrates how seeking the path of compassion and acceptance can be as zany and exuberant, as it is profound and rewarding. This thoroughly modern and accessible exploration of Enlightenment, including what it is and where to seek it, shows us how to recognize the perfection in ourselves.

Sutras (teachings), bodhisattvas (enlightened beings), and jataka tales (parables) are presented in a way that is simple, upbeat, and fun to read. The colorful, inspiring paintings, some of which are new and some of which are well-known within the New York art scene and beyond, are an imaginative and affirming mind’s-eye view of Buddhist teaching today.

Dharma Delight is greatly appealing to all ages, and together, the words and illustrations are a warm and cheerful invitation to Buddhism newcomers and a cool splash of refreshment to any traveler on the road to Enlightenment.

Contributor Bio
Rodney Alan Greenblat is a visionary artist, designer, and writer who has been making whimsical colorful artwork for over thirty years. In addition to his contribution to the New York art scene, he has designed album covers and video game characters and worlds. His many visits to Japan, where he created a popular animated TV series, led him to become a student of Zen, and to find new ways of expressing the Dharma. Greenblat has been creating characters and illustrations for some of the world’s most respected companies and publications, including Family Mart, Sony, Toyota, The New Yorker and The New York Times. He is a senior student at the Village Zendo Zen center in New York City where he has received the Buddhist name “Musho.”
The Japanese Tea Ceremony
Cha-no-Yu and the Zen Art of Mindfulness
A. L. Sadler, Laura C. Martin

Key Selling Points:

- The book will appeal to students and admirers of Zen Buddhism and Japanese history, art, and culture.
- The book is richly illustrated with over 160 illustrations of every aspect of the tea ceremony and 40 color photographs of tea houses and utensils.

Summary

The Japanese Tea Ceremony is a detailed examination of the five-centuries-old tea ceremony—or Cha-no-Yu in Japanese, literally "hot water for tea"—a cornerstone of Japanese culture and a core practice of Zen Buddhism.

Framed by intricately choreographed steps, the tea ceremony is as much about the search for enlightenment as it is about serving tea. Within the serenity of the tea room, the ceremony, with its highly formal structure, becomes an object of focus for meditation. As the water is heated and the tea is served, the ultimate goal is losing the sense of self while gaining inner peace. The path to mindfulness runs through the center of the tea ceremony.

Abundantly illustrated with over 160 drawings and 40 color photos showing every aspect of the ceremony, this book takes readers on a complete tour of furniture and utensils, teahouses and gardens, and numerous other features of Cha-no-Yu. It also delves into the many disciplines included within the broader framework of the tea ceremony—Japanese art, calligraphy, flower arrangements, architecture, gardening, and exquisite handicrafts. Learn more about the experiences of masters of the tea ceremony over the centuries and histories of the various schools and traditions of the art of tea. Full-color photos of tea bowls, teahouses, and gardens reveal the exquisite artistry of the cult of tea and this important Japanese tradition.

With a new foreword by award-winning author Laura C. Martin, The Japanese Tea Ceremony is a fascinating exploration of the ritual and Zen philosophy of one of Japan's greatest customs, truly "an epitome of Japanese civilization."

Contributor Bio

A.L. Sadler was Professor of Oriental Studies at the University of Sydney for twenty-six years as well as Professor of Japanese at the Royal Military College of Australia. Among his works are Shogun: The Life of Tokugawa Ieyasu, A Short History of Japanese Architecture, A Short History of Japan, The Ten Foot Square Hut, and Tales of the Heike.

Laura C. Martin is an award-winning author who has studied the complexities of plants for decades. She served as the garden editor for Atlanta Homes & Lifestyles and Georgia magazine and has written for publications ranging from American Horticulturist to Better Homes & Gardens. She is the author of A History of Tea: The Life and Times of the World’s Favorite Beverage.
Kojiki: The Birth of Japan
The Japanese Creation Myth Illustrated
Kazumi Wilds

Markup Note: NEW FOR 2019

Key Selling Points:

- Presents a unique illustrated version of the ancient Japanese Kojiki creation myth, which is instantly recognizable and beloved by Japanese of all ages, now retold and brought to life in strikingly graphic illustrations and text
- An illustrated book that straddles several sales channels and readerships: the gift book market, the museum market and Japanophiles with a taste for serious graphic novels on historical themes
- Dozens of Kojiki-themed books are available, but this is the first one ever published in illustrated form
- This is author Kazumi Wilds' first book not targeted at children. She has illustrated Tuttle's bestselling All About Japan, which received the 2012 Creative Child Magazine Preferred Choice Award, and The Peace Tree from Hiroshima, which was honored with the 2015 Gelett Burgess Award for Best Intercultural Book and the 2015 Silver Evergreen Medal for World Peace
- For readers ages 16 and up

Summary
Take a step back in time to the origins of Japan's creation myth—told here for the very first time in illustrated form.

In the beginning there was nothing—a void. Then the heavens and the earth took shape, as the ancient gods of Japan breathed the first sparks of life into these islands. The ancient Kojiki myth traces the beginnings of the Japanese people, following the rise of the Japanese islands from their humble origins as a lump of clay to a great nation that would one day take its rightful place among the leading nations of the world.

Like all creation myths from around the world, the Kojiki story occupies a treasured place in the nation's literature and collective imagination. Kazumi Wilds's striking illustrations capture the drama and intensity of a mythic tale where chaos and demons are unleashed and where darkness is slowly pushed back by the righteous, as good prevails over evil.

Kojiki: The Birth of Japan combines the raucous rhythms and startling imagery of today's best graphic novels with a retelling of a classic and timeless Japanese story. This book will be remembered and treasured for years to come by lovers of mythology, folklore and anyone interested in Japanese culture and history.

Contributor Bio
Kazumi Wilds is an illustrator and creator of art books who was born in Japan. Kojiki: The Birth of Japan is adapted from her thesis project as an M.F.A. student at the University of Iowa, Center for the Book. She also holds a bachelor's degree from Joshibi University of Art and Design in Tokyo, where she majored in Japanese painting. She worked as a school teacher in Japan for many years before living in the United States, which included a stint running a gallery in Taos, New Mexico. She has illustrated over a dozen children's books, including All About Japan and The Peace Tree from Hiroshima. Wilds is currently teaching art courses at Temple University's
Sun Tzu's Art of War for Women
Strategies for Winning without Conflict - Revised with a new Introduction
Catherine Huang, A.D. Rosenberg

Key Selling Points:
- An extension and reappllication of the eternally popular and best-selling Chinese classic that continues to captivate Western readers
- A new up-to-date introduction points to the increasing relevance and scrutiny afforded the issue of women's self-empowerment in the workplace and beyond
- A timely reissue; while recent developments (i.e., Me Too) have focused specifically on improper conduct and the abuse of power, this book allows readers to harness the interest, energy and exposure that the empowerment movements have sparked

Summary
Sun Tzu's classic treatise *The Art of War* has influenced countless generations—of men—when they find themselves on battlefields, in the office and in everyday life. On its heels comes this "battle-plan" guide specifically addressed to women, at a time when their positions and roles in business and society are being reframed.

*Sun Tzu's Art of War for Women* helps women find paths to success through strategies and approaches made famous in the ancient Chinese text. Co-author Catherine Huang, herself the founder and president of a multi-million dollar corporation, has personally employed these strategies in her male-dominated line of work.

Sun Tzu's tested strategies aim to achieve win-win outcomes. The guidelines for doing so include:
- Understanding your own strengths and weaknesses
- Turning disadvantages into advantages
- Thinking outside the box
- Being confident in yourself and visualizing success

We're living in a time when female empowerment movements have incredible momentum and exposure—from the Women's March to Me Too, which are highlighted in the new introduction. Though framed within a different context than the current movements, this book is another great resource for helping readers to consider not only what they want to achieve, but how to make it happen.

Through Sun Tzu's time-tested tenets, *Sun Tzu's Art of War for Women* helps women tap into their inner reserves, unleash their hidden strengths and find professional and personal fulfillment.

Contributor Bio
Catherine Huang is founder and president of CHR International, a multi-million-dollar importer of foods from Eastern and Western Europe, North Africa and China. She received a classic Chinese education in her native Taiwan, giving her a background in Chinese history and philosophy that is enhanced by her knowledge of Western culture and business practices. As a female entrepreneur in a predominantly

Japan's World Heritage Sites
Unique Culture, Unique Nature
John Dougill

Key Selling Points:
- This new edition has 16 more pages and lower price
- Completely revised and expanded with the addition of many new sections on World Heritage Sites which have only recently been approved by UNESCO
- Japan continues to attract record numbers of visitors each year from North America, the UK and Australia—29 million visited in 2017 and over 40 million are expected in 2020
- The Olympics will be held in Tokyo in 2020 which will focus the world's attention on Japan
- Most visitors to Japan stay for a week or more and visit multiple sites include many of the temples, castles, gardens, museums and shrines featured in this book
- Illustrated travel books on Japan are huge sellers and sales are increasing each year

Summary
Japan's World Heritage Sites presents the exquisite temples, shrines, gardens, castles and natural wonders found throughout Japan which have now been declared UNESCO World Heritage Sites. This new edition has more convenient size and includes many newly-designated UNESCO sites including:

- Christian Sites in Nagasaki that tell the extraordinary story of Japan's Christians who continued to practice their faith in secret under penalty of death during Japan's feudal era
- Meiji Industrial Sites which tell of the nation's rapid modernization during the Meiji period
- The Munakata Shrine to seafaring deities on a forbidding island
- The Tomioka Silk Mill which became a leader in Japan's export drive
- The National Museum of Western Art, an architectural gem designed by Le Corbusier

Japan expert John Dougill personally traveled to each of these sites to research this book. He tells how his journey led him from the sub-Arctic island of Hokkaido to the sub-tropical islands of the Okinawan archipelago and beyond. Tag along as he describes each place in loving detail and talks about its special historical and cultural features, including:

- **Mount Fuji**, Japan's tallest and most sacred volcano. Located on Honshu Island near Tokyo, Mt. Fuji is considered the sacred center of Japan.
- **Himeji Castle**, a monument from Japan's long feudal history. Also known as Egret Castle, because it looks like a bird taking off in flight.
- **Horu-ji Temple**, the world's oldest surviving wooden structure—a center of Buddhist learning that still serves as a seminary and monastery
- **The Hiroshima Peace Memorial** or Atomic-Bomb Dome—one of the few structures to partially survive the atomic blast in 1945
- **The Ogasawara Islands**, a remote archipelago of over 30 islands including Iwo Jima...
Journey Through Indonesia
An Unforgettable Journey from Sumatra to Papua
Tim Hannigan

Key Selling Points:

- Extraordinary book containing 400 color photographs and 9 maps covering the vast Indonesian archipelago
- Photos and texts capture the highlights of each major island and cultural region across more than 17,000 tropical islands
- This photographic tour includes copious historical, geographical, and cultural background information
- Award-winning writer Tim Hannigan lived in Indonesia for many years and has written several books on the country
- Readers get to see World Heritage Sites like Borobudur and exotic wildlife like the Orangutan, the Komodo Dragon and the Birds of Paradise

Summary

Whether readers are planning a trip to Bali or just fantasizing about one, Journey Through Indonesia makes for an unforgettable Indonesia travel guide.

With hundreds of full-color photographs, Journey Through Indonesia takes readers on a tour of the world's most magnificent archipelago, a vast island nation with all the diversity of an entire continent. This vibrantly illustrated book is the perfect introduction to this most colorful of countries, for both Indonesian history enthusiasts, armchair travelers, and those planning explorations and adventures in Indonesia.

Indonesia is Southeast Asia's largest nation, a place of endless contrasts and myriad cultures. This comprehensive Indonesian travel guide features over 400 stunning photographs, nine detailed maps, and insightful descriptions of the country's geography, culture, history, arts, crafts, and wildlife species.

Journey Through Indonesia transports readers to each of Indonesia's significant regions including:

- The impressive temples and volcanoes of Java
- The exquisite beaches of Bali
- The magnificent national parks of Kalimantan
- The traditional villages of Nusa Tenggara
- The tiger-haunted forests of Sumatra
- The spice-scented islets of Maluku
- The untrammeled wilderness of Papua
- and much more

Journey Through Indonesia beautifully captures the diversity of the culture, terrain, and population of Indonesia and creates a deeper understanding of this unique island nation.

Contributor Bio

Tim Hannigan is author of A Brief History of Indonesia, Murder in the Hindu Kush, and Raffles and the British Invasion of Java, winner of the 2013 John Brooks Award. His features and travel articles appear regularly in newspapers and magazines in Indonesia and beyond.
Kyoto City of Zen
Visiting the Heritage Sites of Japan’s Ancient Capital
Judith Clancy, Ben Simmons

Key Selling Points:
- New Lower retail price; some new photos
- Gift-sized and densely packed
- The main chapters place emphasis on temples and shrines, giving the book appeal to those whose interest is in the Zen aspect
- Strong treatment of architecture and landscaping
- Strong treatment of Kyoto as a well-known center for fine and performing arts

Summary
Whether you are interested in this unique city’s history or are planning to travel to Kyoto, Kyoto City of Zen will serve as inspiration and provide invaluable insight into Kyoto’s culture.

This travel pictorial and Japan travel guide captures the sites and soul of Kyoto—Japan’s historical and spiritual center. An elaborate kaleidoscope of craft, artistry and religion, Kyoto is one of the world’s most popular travel destinations. Art and design form the weft and warp of this vibrant 1,200-year-old city, home to hundreds of gardens, palaces, villas and magnificent wooden temples—including seventeen UNESCO World Heritage sites.

Like a Zen koan, Kyoto defies easy description. Its citizens may work at Nintendo designing video games, at a company designing precision medical instruments, or sitting cross-legged meticulously affixing micro-thin flakes of gold foil onto a painting. All of them share a living heritage grounded in centuries of traditional culture.

In Kyoto City of Zen, local expert Judith Clancy presents the most important gardens, temples, shrines and palaces of this ancient capital city and enduring cultural center. In addition to unveiling the city’s spiritual and historical riches, this travel book shares with readers the exquisite foods, artistic crafts, religious ceremonies and architectural traditions that have flourished in Kyoto for over a millennium.

Tea ceremonies, calligraphy, weaving, pottery, painting, drama, and many more traditional arts and crafts are presented through more than 350 photographs by Ben Simmons—whose images capture the true essence of Kyoto. The city’s natural setting also comes into focus as the book guides you along leafy mountain paths and through spectacular parks and gardens—highli...

Contributor Bio
A resident of Kyoto for over 40 years, Judith Clancy lives in a 120-year-old converted weaver’s studio in Nishijin, Kyoto’s weaving and dyeing district. Originally, she studied the tea ceremony for six years at Urasenke, the tea school on the heartland of Japan’s culture. Her first book, Naturescapes, was a tribute to the work of her Ikebana teacher Tamura Sukio. Clancy is also the author of Exploring Kyoto, a book offer 27 wonderful expeditions through the city. For 10 years, Clancy was the English-speaking secretary to the head of the International Division at the Kanebo headquarters, a company founded on textiles, which eventually expanded to cosmetics, pharmaceuticals, and foodstuffs. Today, Clancy interprets for different...
A Manga Lover's Tokyo Travel Guide
My Favorite Things to See and Do In Japan
Evangeline Neo

Key Selling Points:
- Practical travel guide for top manga and anime-related destinations
- Practical travel guide for top traditional Tokyo destinations and experiences
- Tips on shopping, eating, getting around
- Useful phrases in Japanese for everyday survival
- All practical tips presented in the form of engaging and skillfully drawn manga-style stories, as enjoyable for the armchair traveler as for the visitor

Summary
For fans of Japanese manga and anime, a trip to Tokyo is an absolute must!

In this captivating Tokyo travel guide, award-winning manga artist and author Evangeline Neo travels to the Japanese capital with her mascots Kopi the dog and Matcha the cat in tow, bringing you to all the otaku sights this city has to offer. She shows you where to shop for manga memorabilia in Akihabara and Nakano, takes you on a tour of famous anime and manga museums like Studio Ghibli and Sanrio Puroland, and shares her experiences at a cosplay studio, a maid and butler cafe, and a manga drawing class.

In addition to manga and anime-related adventures, Eva brings readers to all the must-see Tokyo sites as well—from Asakusa's Sensoji Temple to Tokyo Tower and the Meiji Shrine. She also introduces travelers to sushi train restaurants, hot spring baths and a kimono makeover session—even a day trip to Mt. Fuji! Along the way, she shows you all her favorite places to shop and eat, and gives advice on what to buy, how to get around, and even how to speak a few words of survival Japanese.

This manga guide to Tokyo is depicted in charming and humorous drawings and stories, which are as enjoyable for armchair travelers as they are practically useful for visitors to the city. Step into the world of modern Japanese culture through this amusing and unique guide to one of the world's top cities.

Contributor Bio
Evangeline Neo is one of the best-known comic book authors and artists in Southeast Asia. Born and raised in Singapore, her work won her a scholarship to pursue a Bachelor of Fine Arts degree in animation and visual effects at the Academy of Art University in San Francisco; she also has an MBA from Waseda University in Tokyo. Neo has been drawing webcomics since 2007 and has published books that have gained her a wide international following, including Eva, Kopi and Matcha and Eva Goes Solo. Besides a passion for Japanese culture and food, her hobbies include yoga, hiking, traveling, collecting crystals, and feng shui.

Bushido: The Samurai Code of Japan
With an Extensive Introduction and Notes by Alexander Bennett
Inazo Nitobe, Alexander Bennett

**Markup Note:**
NEW FOR 2019 - Rights: World, excluding French, Spanish

**Key Selling Points:**
- An important book that helped shape many Westerners' understanding of the concept of Bushido, the Japanese Samurai code.
- Alex Bennett's extensive introduction and notes shed new light on this classic work.
- Highlights the seven core precepts of Bushido: rectitude, courage, benevolence, civility, sincerity, honor and loyalty
- This book will be of great interest to students of Japanese culture and anyone interested in Samurai history.
- Alex Bennett is a respected scholar of Japanese history, culture and martial arts with a practical understanding of the Japanese warrior code.

**Summary**

*Bushido: The Samurai Code of Japan* is the most influential book ever written on the Japanese "Way of the Warrior." A classic study of Japanese culture, the book outlines the moral code of the Samurai way of living and the virtues every Samurai warrior holds dear. It is widely read today in Japan and around the world.

There are seven core precepts of Bushido:

- **Rectitude**: "The power of deciding upon a certain course of conduct in accordance with reason, without wavering."
- **Courage**: "Doing what is right."
- **Benevolence**: "Love, magnanimity, affection for others, sympathy and pity."
- **Civility**: "Courtesy and urbanity of manners."
- **Sincerity**: "The end and the beginning of all things."
- **Honor**: "A vivid conscious of personal dignity and worth."
- **Loyalty**: "Homage and fealty to a superior."

Together, these seven values create a system of beliefs unique to Japanese philosophy and culture that is widely followed today. Inazo Nitobe, one of Japan's foremost scholars, thoroughly explores each of these values and explains how they differ from their Western counterparts. Until you understand the philosophy behind the ethics, you will never fully grasp what it meant to be a Samurai—what it meant to have Bushido. In Bushido, Nitobe points out similarities between Western and Japanese history and culture. He argues that "no matter how different any two cultures may appear to be on the surface, they are still created by human beings, and as such have deep similarities." Nitobe believed that connecting Bushido with greater teachings could make an important contribution to all humanity—that the way of the Samurai is not something peculiarly Japanese, but of value to the entire human race.

With an extensive new introduction and notes by Alex Bennett, a respected...

The 36 Deadly Bubishi Points
The Science and Technique of Pressure Point Fighting - Defend Yourself Against Pressure Point Attacks!
Rand Cardwell, Patrick McCarthy

Key Selling Points:

- Explains the pressure point techniques found in the Bubishi, the ancient "Bible of Karate," and how recognizing them allows you to defend yourself against such attacks.
- This book contains over 96 photos and illustrations and step-by-step instructions that show how to defend yourself against pressure point attacks in modern, real-world situations.
- Includes a foreword written by Patrick McCarthy, an authority on Okinawan fighting traditions and translator of Bubishi: The Classic Manual of Combat.

Summary
Learn how to target the weaknesses of an attacker and effectively exploit them in order to defend yourself. The 36 Deadly Bubishi Points gives detailed explanations on how the pressure points of traditional Chinese medicine found in the Bubishi, the venerable "Bible of Karate," are used in attacking an opponent and how to defend yourself against such attacks. This book closely examines these vital points and the science behind them.

While much has been written about the vital points and their medicinal importance, thanks to the popularity of practices such as acupuncture, martial research on the subject has been lacking. Cardwell discusses the vital points from the perspective of an experienced martial artist—including how the body's vital points are related to the 8 extraordinary vessels and 12 meridians which circulate energy throughout the body.

Through detailed step-by-step instructions and over 96 photographs and illustrations, The 36 Deadly Bubishi Points shows how this knowledge can be employed in self-defense. Respond to an attacker by employing these ancient methods in modern, violent situations.

Contributor Bio
Rand Cardwell has studied numerous disciplines for over 20 years and is an expert on the application of traditional Chinese medicine to the martial arts. He is a veteran of the U.S. Marine Corps and a certified instructor of Isshin-ryu Karate, Ryuku Kempo and Torite-Jutsu.

Patrick McCarthy is a 9th Dan and recognized as one of the foremost authorities on the civil fighting traditions of Okinawa. His translation of The Bubishi is considered the definitive version.
Archery for Beginners
The Complete Guide to Shooting Recurve and Compound Bows
Amante P. Marinas, Sr.

Key Selling Points:

- An essential resource for anyone interested in taking up recreational archery.
- Both recurve and compound, the most popular bow types, are covered in the book.
- The book includes techniques for shooting and scoring and methods to improve your performance.
- Archery is one of America's most popular pastimes with almost 8 million archers nationwide.
- The book is extensively illustrated with over 150 illustrations and full color photos.

Summary

Archery for Beginners is the complete instructional guide for anyone interested in taking up recreational archery. This book covers all the essentials for the beginning archer—from basic skills and equipment to effective and safe training methods. There are chapters on both recurve and compound bows, the two most popular types, as well as information on how to track your progress.

Topics included in this book are:

- Compound and Recurve bows
- Archery equipment and accessories
- Training preparation and safety
- Advanced shooting methods
- Fun archery games
- How to make your own bow

With over 150 illustrations and full-color photos, step-by-step instructions, and easy-to-follow directions, Archery for Beginners is the go-to guide for anyone interested in learning archery basics. Be the next to join more than 8 million Americans who enjoy this popular pastime.

Contributor Bio

Amante P. Marinas, Sr. has authored eleven other books including Amis de Mano, Pananandata Knife Fighting, and The Art of Throwing, and is the most published practitioner of the Filipino martial arts.
Filipino Stick Fighting Techniques
The Essential Techniques of Cabales Serrada Escrima
Mark V. Wiley, Darren Tibon

Key Selling Points:

- Cabales Serrada Escrima is a stick fighting art with its roots in Escrima—the national martial art of the Philippines.
- Interest in Escrima has surged since the fighting techniques were used by Matt Damon in the Jason Bourne films.
- This book contains detailed instructions covering the basic strikes, blocks, counters and disarms unique to Cabales Serrada Escrima; it is extensively illustrated with 336 photos and detailed step-by-step instructions.
- Author Mark V. Wiley trained with Angel Cabales and is certified by him as a master of Cabales Serrada Escrima.
- This book has a new foreword by Grandmaster Darren Tibon, also a student of Angel Cabales.

Summary
Filipino Stick Fighting Techniques is the authoritative guide to Cabales Serrada Escrima—a stick fighting art with its roots in Escrima, the national martial art of the Philippines. The popularity of these techniques has dramatically increased since they were used extensively by Matt Damon in action-packed fight scenes in the Jason Bourne films.

Developed by Grandmaster Angel Cabales when he came to the U.S., Cabales Serrada Escrima is a distinct system emphasizing close-quarter combat using highly effective stick-fighting moves in unarmed as well as knife fighting situations. This book offers a clear presentation of the basic strikes, blocks, counters, and disarms unique to this style of martial art—as well as explaining how and why the techniques work and when to use them.

Angel Cabales was a pioneer in the Filipino Martial Arts and the first teacher of Escrima in the U.S. He trained and certified Mark V. Wiley, the author of this book. Darren G. Tibon, an Escrima Grandmaster, was also trained by Cabales and has contributed a new foreword to the book.

This book contains:

- Personal accounts of Grandmaster Angel Cabales and how he developed his system
- The dynamics of body positioning, distance control, and both single-stick and empty-hand defensive methods
- A comprehensive set of training drills for practitioners at different levels

Extensively illustrated with over 300 photos and detailed step-by-step instructions, this book lays the foundation for not just learning the system of Cabales Serrada Escrima, but understanding the traditions and philosophy of the art.

Contributor Bio
Mark V. Wiley is a writer, editor and publisher who has written for numerous martial arts and health publications. He has made numerous trips to the Philippines to research Filipino fighting arts and was certified as a master of Cabales Serrada Escrima.
Judo Formal Techniques
A Basic Guide to Throwing and Grappling - The Essentials of Kodokan Free Practice Forms
Donn F. Draeger, Tadao Otaki, Neil Ohlenkamp

Key Selling Points:

- A comprehensive training manual for the "free practice" forms of Judo established by the Kodokan Judo Institute, the governing body for international Judo.
- These forms include all the basic skills of throwing and grappling, which are the most fundamental moves in the sport of Judo.
- Judo is one of the most popular fighting sports in the world practiced by over 20 million people worldwide and is gaining in popularity now as an Olympic sport.
- The 2020 Tokyo Olympics will see Judo return to its hometown.
- This book has over 1,000 photos and illustrations with step-by-step instructions for effective Judo training at all levels.
- It is a classic text that has been used by generations of practitioners now available in a completely reset edition.
- The authors are two of the world's top Judo instructors—Donn F. Draeger and Tadao Otaki. Draeger is a famous martial artist, respected worldwide and the first non-Japanese Judo instructor at the Kodokan Institute in Tokyo, Japan.
- Features a new foreword by well-known Judo instructor and best-selling author Neil Ohlenkamp.

Summary

Judo Formal Techniques is "The most detailed explanation of Judo that has ever been published" (The Japan Times). A comprehensive training manual to the basic "free practice" forms of Kodokan Judo (the Randori no Kata), the book provides essential instruction in the throwing and grappling kata (Nage no Kata and Katame no Kata) that every Judo practitioner needs to master.

The authors are two of the world’s top instructors—Donn F. Draeger and Tadao Otaki. Both were instructors at the Kodokan Judo Institute in Tokyo—the headquarters of international Judo, which was founded by the creator of the martial art, Jigoro Kano. Draeger, considered by many to be the first non-Japanese Budo master, was an authority on Asian martial culture who held high ranks and teaching licenses in several martial arts. He was a prolific writer and was the first non-Japanese Judo instructor at the Kodokan. Otaki was not only a successful Judo instructor but also a university professor who was widely praised for his research on the role of Judo in education.

Draeger and Otaki based their text on Jigoro Kano's published and unpublished personal writings. Recapturing the original spirit and intent of the essential Judo kata, they are presented in the standard Kodokan versions as refined by generations of practitioners. Richly illustrated with over 1,000 photos and drawings, Judo Formal Techniques offers complete step-by-step instructions for the roles of both training partners. In addition to the core techniques of throwing and grappling, it explains the important transitional movements as well as grips, stances, and postures.

First introduced as an Olympic sport at the 1964 Tokyo Olympics, Judo is returning to its home city on the world stage at the 20...
Karate: The Art of Empty Hand Fighting
The Groundbreaking Work on Karate
Hidetaka Nishiyama, Richard C. Brown, Ray Dalke

Key Selling Points:

- The definitive guide to Shotokan Karate—the world's most widely practiced style of Karate.
- The author, Hidetaka Nishiyama, is a legendary figure who helped establish Karate in the U.S. and trained the first group of Japan Karate Association (JKA) instructors in the country.
- The techniques and training regimen outlined in the book are valuable to practitioners of any style of Karate and of interest to anyone interested in this martial art form.
- Contains over 1,000 photos including detailed instructions for essential moves from basic to advanced.
- The book has a new foreword by Ray Dalke who was a student of Nishiyama’s and holds the highest rank of any American in Shotokan Karate.

Summary
Karate: The Art of "Empty-Hand" Fighting is the definitive guide to Shotokan Karate—the most widely practiced style of Karate—and has inspired millions of Karate practitioners worldwide. Authored by one of the great masters of the art, Hidetaka Nishiyama, this book is a classic, groundbreaking work on the sport of Karate, and one of the first published in English. An Olympic sport, Karate is today practiced by over 100 million people worldwide.

Nishiyama began his training under the instruction of Gichin Funakoshi, the legendary founder of Shotokan Karate. He helped establish the Japan Karate Association and, as head of the JKA’s instructors training program, was instrumental in bringing Karate to the U.S. and other Western countries. When he arrived, he proceeded to train the first great generation of Karate instructors spawning a whole new generation of martial artists.

Highly accessible and richly illustrated with over 1,000 photographs, this book is a comprehensive manual with step-by-step instructions to all the basic movements and techniques of Karate.

Topics covered include:

- A brief history of Karate
- Theories and principles of the martial art
- Effective training and exercise methods
- Karate techniques including stances, blocks and attacks
- Defenses against weapons

With a new foreword by Ray Dalke, who trained under Nishiyama and, at 8th Dan, is the highest ranking American in Shotokan Karate, Karate: The Art of "Empty-Hand" Fighting provides analyses from the standpoint of physics, physiology, philosophy, and body dynamics. The book's techniques apply to all styles of the martial art and is a valuable reference for any Karateka—stressing Nishiyama’s lesson that mastery of the basics is not the end but merely the beginning of ...
Modern Ninja Warfare
Ninja Tactics and Methods for the Modern Warrior
Antony Cummins

**Key Selling Points:**

- The Ninja fighting arts are associated with stealth and "special ops" in ancient Japan. This is the first book to apply their tactics and methods to modern warfare and contemporary security needs.
- This book will be of great interest to professional security and police personnel, regular military, special forces as well as Ninja practitioners and martial artists around the world.
- Author Antony Cummins is a world-renowned Ninja historian who heads the Historical Ninjutsu Research Team which translates and publishes medieval documents pertaining to the Ninja. He has published 20 books including several bestsellers on the subject of Ninja and Samurai history.
- Cummins' YouTube channel is one of the most popular martial arts-related channels online with over 31,000 views per month.
- The author will be promoting his book heavily on his own YouTube channel. He will also identify important bloggers, as well as Instagram and Youtube influencers, who will review the book.
- There are 342 dojos in the U.S. affiliated with the Bujinkan, the official Japanese martial arts organization associated with Ninjutsu.
- There are also 28 dojos in Australia, 36 in Canada, and 65 in the UK.

**Summary**

*Modern Ninja Warfare* takes a contemporary look at the stealthy methods of the Ninja (Shinobi) and how they can be employed to counter modern security threats. This book provides an ideal overview of Ninjutsu techniques for security personnel, military, Special Forces, military history buffs and anyone serious about learning how Ninja tactics can be applied to the modern world.

Ninja historian Antony Cummins, himself a skilled martial artist, takes a detailed and realistic look at the Ninja, their methods and their role in the medieval Japanese military, as well as how they compare to today's Special Forces and covert military groups. The chapters include a detailed look at the defensive strategies, engagement against specific threats, intelligence gathering, territorial concerns, mental focus and the spiritual mind-control techniques of these invisible warriors.

With over 100 striking illustrations that vividly portray the Ninjas' secret world, this book shines new light on their shadowy methods. In the process, the mythical image of the Ninja is washed away revealing the reality of these commando-spies of medieval Japan.

**Contributor Bio**

Antony Cummins heads the Historical Ninjutsu Research Team, a project that documents, translates and publishes medieval documents pertaining to the Shinobi of Japan. As a world-renowned ninja historian, his background as a historian gives him a unique insight into their mysterious world. Cummins has revived an old samurai school of war, Natori-Ryu, with the aim of educating people on historical Japanese warfare. His aim is to establish a correct understanding of Japanese military arts and to bring about a deeper knowledge of, and respect for, Japanese arts. A trained...
Pocket Tai Chi for Beginners
Simple Steps to a Healthy Body & Mind
Tri Thong Dang

Key Selling Points:

- Provides a complete introduction to Tai Chi in a handy pocket size at a low price.
- Teaches the "Simplified Tai Chi" designed by China's Ministry of Physical Culture and Sports.
- Simplified Tai Chi has 24 easy-to-master sequences instead of the 80 or more complex forms found in traditional Tai Chi.
- Tai Chi is the world's fastest growing martial art, practiced by millions of people of all ages.
- It has proven health benefits—to improve flexibility, muscle tone and balance, relieve joint pain, reduce stress and lower blood pressure—with no impact or injuries and no negative side effects.
- Author Tri Thong Dang is a respected Tai Chi master with over 30 years of experience teaching his method to many thousands of American practitioners.
- His book not only teaches Tai Chi movements but also its spiritual and psychological essence.

Summary

Pocket Tai Chi for Beginners is the perfect introduction to this popular exercise discipline—now in a handy, inexpensive format. This book presents the "Simplified Tai Chi" method created by China's Ministry of Physical Culture and Sports. Unlike traditional Tai Chi, which has over 80 complicated movement sequences or forms, Simplified Tai Chi has 24 short and easy-to-remember movement forms which provide all the health benefits but are far easier for ordinary people to learn and practice on a daily basis. This book provides everything you need—step-by-step instructions and over 160 clear and simple illustrations.

Tai Chi is the fastest-growing martial art in the world today—due to its physical, mental and spiritual benefits—combining low-impact exercise, self-healing, meditation and a philosophy of life all in one.

Benefits of Tai Chi include:

- Reducing falls by improving flexibility and balance
- Relieving joint pain
- Reducing stress and anxiety
- Lower blood pressure
- Strengthened core, legs and upper body

Master Tri Thong Dang is one of America's most respected Tai Chi instructors who has trained many thousands of practitioners. His easy-to-follow method highlights the spiritual essence of Tai Chi and at the same time its graceful simplicity.

Contributor Bio

Tri Thong Dang was born in Vietnam and studied under the revered Grand Master

My First Origami Fairy Tales Kit
Fold Paper Models of Knights, Princesses, Dragons, Ogres and Many More! (includes Folding Sheets, Easy-to-Read Instructions, Story Backdrops, over 50 decal stickers)
Joel Stern

Key Selling Points:

- From the Award-winning author of My First Origami Kit and Origami Zoo Kit
- Includes colorful paper characters, story backdrops and dozens of stickers that kids will have many hours of fun playing with and making up their own stories
- The custom-designed folding papers and stickers gives kids everything they need to fold up great-looking models like the ones in the booklet
- Includes six full-color story backdrops which provide fun environments for kids to use to pose their models and tell their stories

Summary
Step into a world of daring knights, brave princesses and fire breathing dragons!

Bestselling origami artist Joel Stern has created this engaging new kit to spark children's imaginations and keep them playing happily for hours without a computer screen. The easy-to-follow instructions and colorful folding papers in My First Origami Fairy Tales Kit make it easy to create your favorite characters and use them to tell stories.

Kids will have fun folding up the characters and applying dozens of fairy tale stickers to add finishing touches to their models. The characters can be moved around in front of the included story backdrops to reenact classic stories—or even to set off on brand new adventures!

This kit includes:

- 36 folding sheets for 11 different characters that are easy for young kids to fold
- 6 interchangeable story backdrops
- Over 50 stickers to use in decorating the characters and backdrops
- A full-color book explaining the stories and showing you how to fold the models

The materials in this kit play up a child's own natural storytelling ability and imagination, using characters like the following:

- The chivalrous Knight who comes complete with a gleaming sword and a shield—and a good thing, too, because a nasty Dragon awaits!
- A fearless Princess who can sport any of four different dresses—perfect for daily use around the castle, yet rugged enough to contend with a marauding Witch!
- The crafty Gnome conjures up a brimming, glittering bag of gold, but a brutish Ogre is in hot pursuit to seize it!
- A cunning Wolf spies on an unsuspecting Pig—but let's hope Piggy has built his house with bricks to keep the Wolf out!

This origami for kids kit is sure to inspire hours of play time, while also allowing kids to improve dexterity and learn a
Origami Endangered Animals Kit
Paper Models of Threatened Wildlife [Includes Instruction Book with Conservation Notes, 48 Sheets of Origami Paper, FREE Online Video!]
Michael G. LaFosse, Richard L. Alexander

Key Selling Points:
- Animal figures are the most popular form of origami art, which is now enjoyed by millions of folders worldwide
- This kit provides educational facts about endangered animals and meaningful actions readers can take to help save them
- LaFosse & Alexander are internationally renowned artists, revered for their amazingly lifelike animal models
- Over 2 hours of companion video folding instructions will be available on the Tuttle website

Summary
"Through the intricate art of origami, LaFosse and Alexander succeed in educating all ages about wildlife conservation and the importance of preserving our Earth's endangered animals." —Jack Hanna

A portion of the proceeds benefit wildlife conservation.

An interactive way to foster appreciation and understanding of our planet's endangered species! Origami Endangered Animals Kit, from master origami artists Michael LaFosse and Richard Alexander, is designed to educate and entertain in equal measure.

This origami kit includes everything you need:
- 48 large sheets of high-quality double-sided folding paper
- A full-color 64-page instruction book
- Free online video demonstrations
- Educational notes about endangerment and threatened species

The 12 animals featured in this kit range from the diminutive Macaque to the massive Blue Whale, and also include:

- The Leopard: These big cats are the victims of shrinking habitats and trophy hunters. Only 12,000 to 14,000 remain in the world.
- The Rhinoceros: These animals are frequent targets of poachers. There are 28,000 to 30,000 individuals remaining.
- The Macaque: These clever primates suffer from disease and shrinking habitats as farmlands expand.
- The Gorilla: These critically endangered primates are being rapidly hunted to extinction.
- The Sea Turtle: Ungainly on land, these reptiles are victims of beach development, bycatch, poaching, marine debris, and more.
- The Tiger: A ferocious apex predator, these big cats suffer from shrinking habitats, hunting, and poaching. Only 8,000 to 10,000 individuals remain, half of them in captivity.
- The Elephant: The largest land mammal, these massive herbivores are threatened by habitat destruction and more.
Super Cute Origami Kit
Kawaii Paper Projects You Can Decorate in Thousands of Ways!
Yuki Martin

Key Selling Points:

- This kit comes absolutely loaded with goodies!
- Contains a 48-page full-color instruction book, 48 sheets of double-sided origami paper, stickers, sequins, stick-on pearls and rhinestones, and more!
- Priced to be affordable for teens and kids and perfect for birthday parties, school or church groups or summer camp
- Contains instructions for 12 customizable paper models with Asian cultural influences and tons of "cuteness" appeal
- A pair of chibi manga characters guide you in folding and decorating the models, introducing new concepts and highlighting important tips along the way.
- Ages 6-11; Grades 1st-5th
- Projects inspired by cultures, holidays and celebrations around the world

Summary
Kids of all ages will love this super cute collection of easy origami crafts that can be customized in endless ways. Follow chibi manga mascots Kami Kami and Orihime as they show you how to fold up the models, and then how to personalize them in thousands of ways. The possibilities are limitless!

Packed with accessories that you can use to create unique, embellished models, this origami kit includes:

- 48 sheets of colorful origami paper
- Over 35 sticker accessories
- 100 stick-on pearls in assorted colors
- 150 glittering sequins
- 50 assorted stick-on rhinestones
- Lace Washi tape
- A full-color book with folding instructions and tips for decorating the models

Surprise your friends with your creativity! Create adorable kawaii figures and learn fascinating facts about the countries and cultures that have inspired the designs.

Origami projects in this kit include:

- **A Cupcake:** Cute, sweet, and almost good enough to eat—and why not add some more stick-on pearls as the "icing on the cake?"
- **A Crown:** Dazzle your subjects with a rhinestone-encrusted wearable tiara
- **A Daruma Doll:** Fold up this lucky Japanese character and make a wish as you color in one eye. Color the other eye when your wish is granted!
- **Maneki Neko:** The Japanese waving cat who summons good fortune. Fold and decorate a personalized kitty for each of your friends!
- **Matryoshka Dolls:** The famously adorable Russian nesting dolls
- And many more fascinating projects!

Perfect for parties or as a gift, kids can have hours of fun doing something physical away from a screen!

Instant Paper Airplanes
12 Pop-out Airplanes You Tape Together and Fly in Minutes! [12 precut pop-out airplanes; slingshot launcher, tape & full-color book]
Andrew Dewar

Key Selling Points:

- Easy pop-out planes that look amazing and fly incredibly well.
- Each plane can be assembled in under a minute—you just need some tape
- This kit features high-performance models designed by world-renowned paper airplane expert Andrew Dewar
- Paper airplanes are wildly popular with kids and adults alike
- The airplane parts are made from high-quality paper, pre-cut so you just pop them out, printed in full color on both sides
- A preassembled heavy-duty dowel-and-rubber band catapult launcher is included!

Summary
Prepare for takeoff!

With this new collection of high-performance paper airplane models from master designer Andrew Dewar, paper planes are easier to make and fly than ever before.

Everything prospective aviators need is included in this paper airplane kit:

- 12 pop-out paper planes
- A full-color instruction book
- Super-charged slingshot launcher

The instruction book provides tips on tuning the aerodynamics of each model for even better performance. Plus, these planes can be assembled in under a minute, no glue or scissors required—instant gratification for airplane buffs of every age!

These are just a few of the amazing aircraft you can build:

- The Tritium—a Battlestar Galactica-inspired space plane whose launch velocity is matched by its speed of assembly!
- The Flying Squid, which resembles its tentacled namesake—and doesn't even look like it can fly, although it truly soars!
- The Invisible X—whose sleek profile looks like a cross between the B-2 stealth bomber and the F-22 Raptor fighter.
- And many more!

Use the paper airplane launcher to send your creations above the treetops, and watch with your friends as they glide gracefully back down to earth. A truly incredible sight to behold!

Contributor Bio

Andrew Dewar was born in Toronto, Ontario, and graduated from Ryerson Polytechnic Institute (B.A. Journalism) and University of Toronto (M.A. Japanese Studies, Library and Information Science) before moving to Japan in 1988. After completing doctoral studies in library science at Keio University, he joined the faculty of a junior college in Japan. Soon after arriving in Japan he rediscovered his childhood passion for paper airplanes.
Leonardo da Vinci’s Flying Machines Kit
Paper Airplanes Based on the Great Master’s Sketches That Really Fly! (13 pop-out projects; easy-to-follow directions; Slingshot Launcher)

Andrew Dewar

Key Selling Points:

- 2019 is the 500th anniversary of Leonardo's death—providing a huge worldwide publicity bonanza for this product!
- This kit features authentic paper models based on Leonardo's sketchbooks that actually do fly, created by world-renowned paper airplane expert Andrew Dewar.
- These planes look amazing and fly incredibly well. Paper planes are popular with kids and adults alike—anyone who is an airplane or flight buff.
- The airplane parts are made of high-quality cardstock, printed in full color on both sides and pre-cut so that you just pop them out.
- A preassembled heavy-duty dowel-and-rubber band catapult launcher is included and is used to making the models soar up into the sky!

Summary

Visionary Renaissance genius Leonardo da Vinci designed and sketched many inventions that were centuries ahead of their time. He was obsessed with flight theory and aerodynamics, so many of his drawings were of innovative flying machines—most of which were never built during his lifetime. They existed only as ideas in da Vinci's fertile imagination and as sketches in his famous notebooks—until now!

This remarkable new collection of paper plane models by renowned paper artist Andrew Dewar presents replicas of 13 of Leonardo's most famous aviation inventions—most of which actually fly! Each realistic model provides insights into the incredible mind of Leonardo da Vinci, and the detailed instructions, colorful diagrams and sturdy pop-out paper pieces make it easy to get the planes up into the air quickly—where the real fun begins!

The entire world will celebrate Leonardo’s remarkable life as we mark the 500th anniversary of his passing in 2019—this kit is dedicated to da Vinci and his amazing foresight in envisioning a world where flying machines are commonplace.

This kit includes:

- Pre-cut paper pieces for 13 different machines based on Leonardo's most original designs
- A full-color 64-page book with step-by-step instructions for assembling the flying machine models
- A pre-assembled rubber band slingshot launcher used to launch the planes into the sky.

11 of the models really fly! They include:

- The Ornithopter—a simple corkscrew that gracefully twirls to Earth
- The Kite Glider—an early version of a hang glider with a human pilot
- Leonardo's Flying Boat—look, up in the sky! It's a bird! It's a...boat? It's Leonardo da Vinci's crazy, mixed-up hybrid plane-boat!

Fun & Easy Origami Animals
Full-Color Instructions for Beginners (includes 20 Sheets of 6” Origami Paper)
Michael G. LaFosse

Key Selling Points:
- The perfect origami book for beginners—very affordably priced yet providing a comprehensive introduction to origami paper folding!
- Includes 20 sheets of high-quality folding paper printed in a variety of colorful patterns
- The 48-page illustrated book is in full-color and has easy-to-follow instructions for 19 cute animal models
- These animal projects are the most popular origami models that people love to fold
- Provides a thorough introduction to paper folding and clear instructions on how to read the origami symbols and diagrams

Summary
This value-packed collection of easy origami projects from master paper-folder Michael G. LaFosse is perfect for paper folding beginners!

Fun & Easy Origami Animals contains 19 beginner origami models that everyone loves and anyone can fold—and it comes complete with 20 sheets of high-quality origami papers.

The book is fully illustrated in color and has simple, step-by-step instructions showing you how to fold each piece. This is the ideal guide for someone who wants to explore the magic of origami for the first time—start turning two-dimensional paper into lifelike three-dimensional objects in only a few minutes. Voila!

This collection of adorable paper animals includes the following models:
- Little Bird—the simplest of models!
- Chameleon—an amazingly lifelike and cute lizard that is surprisingly easy to fold!
- Flapping Bird—the classic "action model" that flaps its wings when you pull on its tail!
- Hummingbird—the most challenging (and rewarding!) model in the book—an award-winning LaFosse design!
- And many more!

Contributor Bio
Michael G. LaFosse has been an origami artist for decades, and is an acknowledged authority and master of the art. An avid teacher, LaFosse co-founded the Origamido Studio, a learning center and design studio dedicated to the art of origami, and the only place in the world specializing in handmade papermaking for the origami artist community. Origamido also produces folded art and commercial designs for a variety of international clients. LaFosse co-curated Origami Now!, a wildly popular, year-long exhibition at the Peabody Essex Museum in Salem, Massachusetts. Vanessa Gould prominently features LaFosse in the Peabody Award-winning film, Between the Folds.

Hokusai Prints Note Cards
12 Blank Note Cards & Envelopes (6 x 4 inch cards in a box)
Tuttle Editors, Katsushika Hokusai

Markup Note: NEW FOR 2019

Summary
These high-quality note cards feature 12 beloved Hokusai prints. The artist behind the world-famous The Great Wave off Kanagawa, Hokusai lived and worked in what is now modern day Tokyo during the Edo Period.

Hokusai Prints Note Cards are an excellent value—a fraction of the price of other fine art note cards with accompanying envelopes.

These elegant blank note cards are printed with twelve different works of art.

- On the back of each card is the name and year of the print.
- 12 folded blank note cards 6 x 4 inches (152 x 102 mm)
- 12 envelopes 6 1/4 x 4 1/4 inches (160 x 108 mm)

Contributor Bio
Katsushika Hokusai (1760-1849) was an influential artist and printmaker. Born in Edo (modern day Tokyo), he displayed artistic talent from a young age, and at 19 formally joined the studio of ukiyo-e artist Katsukawa Shunsho. In addition to his famous woodblock prints—the most famous of which is The Great Wave off Kanagawa (1830-32)—he also illustrated board games, drawing instruction books, paper lanterns and dioramas. Hokusai produced more than 30,000 works in his long career, and greatly influenced the impressionist painters of the nineteenth century; Monet acquired 23 of his pieces, while Degas cited Hokusai as the inspiration behind his sketches of the human form.

The Tuttle Publishing Company was established in 1948 in Rutland, Vermont and Tokyo, Japan and is today regarded as a premier publisher and seller of books rooted in Asian culture, language and history.

**Japanese Cats Note Cards**

**12 Blank Note Cards & Envelopes (6 x 4 inch cards in a box)**

Tuttle Editors

**Markup Note:**
NEW FOR 2019

**Summary**

These high-quality note cards feature a wonderful look at Japanese culture and family life, borrowed from the beautifully illustrated children's book *Japanese Traditions*.

These 12 carefully selected images are an intricately illustrated romp through the childhood reminiscences of author/illustrator Setsu Broderick, and each are designed to celebrate a month of the year.

On the back of each card Sentu tells a brief history or meaning of each fun, lighthearted scene. *Japanese Cats Note Cards* are an excellent value—a fraction of the price of other fine art print note cards with envelopes.

These fine quality blank note cards are printed with 12 different scenes and accompanying envelopes

- On the back of each card is a short description of the front design
- 12 folded blank note cards 6 x 4 inches (152 x 102 mm)
- 12 envelopes 6 1/4 x 4 1/4 inches (160 x 108 mm)

Japanese Geisha Note Cards
12 Blank Note Cards & Envelopes (6 x 4 inch cards in a box)
Patrick Hochner

Markup Note:
NEW FOR 2019

Summary
These high-quality note cards feature 12 beautiful photographs of Geisha. On the back of each card an introduction details the history or meaning behind the design. *Japanese Geisha Note Cards* are an excellent value—a fraction of the price of other fine art print note cards with envelopes.

These fine quality blank note cards are printed with twelve different patterns and accompanying envelopes.

- On the back of each card is a short description of the front design
- 12 folded blank note cards 6 x 4 inches (152 x 102 mm)
- 12 envelopes 6 1/4 x 4 1/4 inches (160 x 108 mm)

Contributor Bio
Patrick Hochner began taking photographs in his native Alsace when he was 14, using the family bathroom as his darkroom. At about the same time, he became interested in traveling, and has now visited over 100 countries in every part of the world, combining his passion for photography with travel. Arriving in Japan in the late 1970s, he has called Japan home for the past 30 years. He and his wife Akiko have fallen in love with the city of Kyoto, the old imperial capital, where he is currently documenting the Hanamachi geisha district—an amazing world full of grace and beauty. They spend half their time in Nice, France.

Asian Children's Favorite Stories
Folktales from China, Japan, Korea, India, the Philippines and other Asian Lands
David Conger, Patrick Yee, Liana Romulo, Joan Suyenaga...

Markup Note:
NEW FOR 2019

Key Selling Points:
- New lower price and new cover design
- Award-winning Illustrator
- Abridged to 8 folktales

Summary
For thousands of years, children all over the world have listened to popular folktales. Each country has its own set of fascinating stories, and learning those from another part of the world is both entertaining and educational.

Asian Children's Favorite Stories presents 7 Asian folktales from different countries — China, Japan, Korea, India, the Philippines, Thailand, and Indonesia.

The classic stories in this book include:
- Why Cats and Dogs Don't Get Along (Korea)
- Baka the Cow and Kalabaw the Water Buffalo (Philippines)
- How the Mousedeer Became a Judge (Indonesia)
- Liang and His Magic Brush (China)
- The Lucky Farmer Becomes King (Thailand)
- The Clever Rabbit and Numskull (India)
- The Crane's Gratitude (Japan)

This multicultural children's book opens doors to other cultures and engages the imagination.

Contributor Bio
David Conger was born in Tacoma, Washington. He studied electrical engineering and Japanese at Brigham Young University. He first became interested in Asian history and folklore while living in Japan for two years.

Marian Davies Toth's work has achieved national recognition in the United States. She has an abiding fascination in folklore and during her stay in Thailand, she collected and compiled enchanting tales and legends of old Siam. While there, she taught creative writing at the International School in Bangkok.

Joan Suyenaga, born and raised in Hawaii, grew up with Japanese Children's Favorite Stories, the first title in this popular series, on her family bookshelf. She has been writing, translating and editing for the past twenty years in Indonesia. Her three children were the first to hear the stories featured in this volume.

Liana Romulo spends much of her free time traveling, scuba-diving, and hunting through new and unusual bookstores. A dedicated yoga practitioner, she lives mostly in the Philippines but has also lived in Thailand, Belgium, and the United States. Having grown up in different parts of the world, she knows how important it is to preserve her own heritage and share it with others throughout the world. Her first
Japanese Myths, Legends & Folktales
Bilingual English and Japanese Edition (12 Folktales)
Yuri Yasuda, Yumi Matsunari, Yumi Yamaguchi, Yoshi...

Key Selling Points:
- New cover, lower retail and smaller format
- Bilingual (Japanese/English text)
- Nearly 100 beautiful illustrations
- Includes many classic tales as well as a few that may be less familiar to most readers

Summary
Here, beautifully illustrated and presented in both English and Japanese, are 12 of the best Japanese folktales—shared with generation after generation of Japanese children. These charming tales engage your imagination as you're carried on turtle-back rides, brought to the underwater palace of the dragon princess, and discover a temple with a "tea kettle" that is really a cunning badger in disguise.

Stories include:
- The Tongue-Cut Sparrow
- The Strong Boy
- The Marriage of a Mouse
- The Fisherman and the Tortoise
- The Luminous Princess
- The Peach Boy
- The Kachi Kachi Mountain
- The Old Men With Wens
- The Old Man Who Made Trees Blossom
- The One-Inch Boy
- The Lucky Cauldron
- The Monkey and Crab Fight

These stories are all richly illustrated, with 98 color illustrations by two of Japan's foremost children's books illustrators. Executed with great skill and imagination, they bring to life the charming characters of these heartwarming tales of old Japan.

The tales were originally written in English by author Yuri Yasuda based on her interpretations of traditional Japanese stories. Here they are fully bilingual—each one accompanied by Japanese text. The Japanese versions of each tale include simple kanji with furigana pronunciations to help learners recognize the characters.

Japanese Myths, Legends & Folktales is accessible to both English and Japanese-speaking children, as well as to older language learners who wish to enhance their reading ability. This multicultural children's book will entertain, inspire, and educate in equal measure.

Contributor Bio
Yuri Yasuda is a graduate of the English Department, International School of the Sacred Heart, Tokyo. Since childhood she has written stories for her own amusement, and she began to tell folk and fairy tales to her two sons and two daughters as soon

Korean Celebrations
Festivals, Holidays and Traditions
Tina Cho, Farida Zaman

Key Selling Points:

- Celebrates the influential culture of a significantly large (app. 2.5 million) Asian-American population
- Recipes, activities and a language lesson bring the culture closer and make it more meaningful
- Colorful, friendly illustrations carry a strong message of tradition, fun and togetherness
- For ages 8-12

Summary

*Korean Celebrations* takes young readers on an exciting exploration of Korea's colorful festivals and family celebrations—wonderful days that are filled with exciting activities and delicious foods.

This book allows children to experience Korean culture firsthand by involving them in games, crafts, stories, foods and other activities like the following:

- Preparing and enjoying delicious Songpyeon—sweet dumplings that everyone loves to eat on Chuseok (Korea's version of Thanksgiving)
- Folding a paper carnation—a favorite Parent's Day gift!
- Making your own board game to play Yut-Nori—a game of luck and strategy that's played during Seollal, Korea's all-important New Year celebrations
- Writing simple Korean phrases using the Hangul alphabet, Korea's written language—which is celebrated with its own holiday (Hangul Day)!
- Making a paper fan—something kids always like to do when the hot summer holidays roll around!
- Making your own Pepero chocolate cookies or pretzel treats—which have their own just-for-fun festival day called Pepero Day

In this book, kids will learn about many special Korean celebrations and festivals such as:

- Dano—the end of the planting season which is full of fun competitions like wrestling and swinging contests
- Children's Day—a spring day off from school, when parents take their kids out for a day of fun
- Daeboreum—a holiday to celebrate the moon, filled with special dances, twirling fire, lots of walking and, of course, special foods
- Special birthdays—(like turning one, or turning sixty) and other family celebrations.
- Buddhist and Christian holidays—like Christmas and Buddha's Birthday.

...And plenty more. Because in Korea, a holiday or celebration is always just around the corner! *Korean Celebrations* allows kids to immerse t...

Tina Cho is a versatile educator and children's author on subjects from language to etiquette to social action. She is the author of *Rice from Heaven: the Secret Mission*
Legends of the Martial Arts Masters
Tales of Bravery and Adventure Featuring Bruce Lee, Jackie Chan and Other Great Martial Artists
Susan Lynn Peterson

Key Selling Points:
- An engaging collection of twenty-six adventure tales for young martial arts enthusiasts
- The stories feature a wide range of martial arts including karate, kung fu, jujitsu and krav maga
- Many of the stories are about historical figures and teach readers about Asian history and culture
- Susan Lynn Peterson is an accomplished martial artist who holds a third-degree black belt in Okinawan Shuri-ryu karate and is a USA Karate Federation national champion
- 5 new stories are added to this new edition (about 24% new content)

Summary
Throughout the ages, cunning and brave heroes have reached deep inside themselves to find the strength to triumph over long odds. Aspiring black belts will love this action-packed collection of twenty-six stories about the great heroes of the martial arts and their many paths to victory.

The stories include the tales of:
- The legendary Bruce Lee—Kung Fu master and greatest martial artist of his time
- Miyamoto Musashi—the "greatest swordsman in history" and the author of the Book of Five Rings
- Jackie Chan—a dyslexic boy, abandoned at age seven who grew up to be a martial arts film star
- Mu-lan—the brave daughter who went to battle for the good of her family

These exciting tales of thrilling fights and wily strategies span the wide world of martial arts—from Aikido, Karate, Kung Fu, Sumo, and Ju-jitsu to Brazilian Capoeira, Israeli Krav Maga, Korean Tae-kwon-do, Japanese Kyudo, and Thailand's Muay Thai, even the Zen-focused tea ceremony which teaches the discipline martial artists require to succeed.

Filled with incredible action and amazing feats of daring and skill, Legends of the Martial Arts Masters will inspire readers of all ages with stories of courage, endurance and self-discovery.

Contributor Bio
Susan Lynn Peterson is a professional writer and Gold Medallion Book Award finalist. She holds a third-degree black belt in Okinawan Shuri-ryu karate and is a USA Karate Federation national champion. She has studied karate, kobudo, Shaolin Chuan Fa, and Tai Chi Chuan, and has taught karate and kobudo at Ko Sho Karate San in Tucson Arizona. Her magazine articles have appeared in Black Belt, New Body, and Fighting Woman News.
My First Book of Haiku Poems
a Picture, a Poem and a Dream; Classic Poems by Japanese Haiku Masters
(Bilingual English and Japanese text)
Esperanza Ramirez-Christensen, Tracy Gallup

Key Selling Points:

- Famous poems by celebrated Japanese Haiku masters, translated for children and combined with stunning dreamlike illustrations
- Haiku poetry is taught to every child in school from a very young age
- Beautiful illustrations encourage children to visualize inner worlds supported by artful poems that open up a new world of the imagination
- Commentaries in this book will stimulate discussions between parents, teachers and children
- Bilingual English and Japanese versions of the poems are provided in Japanese script and romanized versions

Summary

My First Book of Haiku Poems introduces children to inspirational works of poetry and art that speak of our connection to the natural world, and that enhance their ability to see an entire universe in the tiniest parts of it. Each of these 20 classic poems by Issa, Shiki, Basho, and other great haiku masters is paired with a stunning original painting that opens a door to the world of a child's imagination.

A fully bilingual children's book, My First Book of Haiku Poems includes the original versions of the Japanese poems (in Japanese script and Romanized form) on each page alongside the English translation to form a complete cultural experience.

Each haiku poem is accompanied by a "dreamscape" painting by award-winning artist Tracy Gallup that will be admired by children and adults alike. Commentaries offer parents and teachers ready-made "food for thought" to share with young readers and stimulate a conversation about each work.

Contributor Bio

Esperanza Ramirez-Christensen is a professor at the University of Michigan and an award-winning teacher and scholar of classical Japanese literature. She has written extensively on the subjects of Japanese poets and poetry and Buddhist philosophy.

Tracy Gallup is an author, illustrator and lifelong artist. She has a BFA from Eastern Michigan University and an MFA in painting from Syracuse University. Tracy worked as an elementary school art teacher for many years, and celebrates imagination and childhood in her own artwork. She is the author and illustrator of 9 children's books, including Paint the Night, A Roomful of Questions, four books in A Crazy Little series, King Cat, and also illustrated the book Beastly Banquet. She lives in Ann Arbor, Michigan with her husband. As a child, Tracy had and loved her very own collection of Tuttle books.
Ninja Boy's Secret
Tina Schneider

Key Selling Points:

- Ninjas are a very popular subject for picture books with many solid sellers (see comps below), especially now with the popularity of Ninjareads.com and with December 5th being declared National Ninja Day
- A picture book with wide appeal, on a traditional Tuttle topic, this title reaches far beyond a Japanese and Ninja focus to explore a young boy's crisis of character and universal themes of identity, self-discovery, and being true to oneself
- Dynamic illustrations by author Tina Schneider capture the lighthearted tone of a tale that fulfills an ongoing need for children's books about character building and the power of individual expression
- Sets itself apart from other picture book with the inclusion of a glossary of music terms on the front and back endpapers
- Aimed at young readers ages 0 - 7

Summary
The sweet story of being invisible and becoming seen.

Ninja Boy has a secret. It's not that he's flunking out of Ninja Academy—his dad knows that. It's that Ninja Boy doesn't like skulking about quietly in the night, clad in black like a thief, leaving no trace of his existence. He knows he'll never be half the Ninja his father is—silent as a ghost, ever ready to attack.

No, this little Ninja has a different calling. He's a talented musician who expresses himself with a violin. He wants to share that passion with his dad, but is afraid his father will not approve. So what's a misguided maestro to do? Summoning all the courage and passion he has, he plays a loud and beautiful violin sonata for his Ninja dad!

In Ninja Boy's Secret, Tina Schneider's lively, amusing illustrations bring her character's struggles and ultimate triumph vividly to life. This Japanese-inspired picture book teaches kids valuable lessons through a fun and inspiring story.

With his faithful dog in tow, Ninja Boy makes his way from silence to song in a charming tale about being true to yourself and finding your calling in life.

Contributor Bio
Tina Schneider began her career as a studio artist, painting and drawing. She received her BFA from The School of Visual Arts, her MFA from Bard College and taught at Vassar College. Her work was featured in exhibits at The Drawing Center, Wave Hill and The Bronx Museum. All along, though, deep in her heart, she really wanted to make books for children. This desire intensified when she had her own children, and for years now she has been devoted to writing and drawing beautiful books that entertain, inspire and comfort children of all ages. She lives in New York City with her husband and three children. This is her first book.
Thai Children's Favorite Stories
Fables, Myths, Legends and Fairy Tales
Marian D. Toth, Patcharee Meesukhon

Key Selling Points:
- Nine enchanting stories set in faraway lands
- Engaging human and animal characters charmingly illustrated
- Insight into values and traditions of Thai culture
- Classic folk tales reinforce universal values: bravery, cleverness, love, kindess, loyalty
- For ages 6-10 or as a read-aloud for younger children

Summary
In captivating text and illustrations, this beautiful multicultural children's book presents a collection of cherished fables, myths, legends and fairy tales from Thailand that have been passed down through generations of Thai families. The nine charming stories feature clever princesses, warring gods and goddesses, foolish kings, and wily tigers, against a backdrop of traditional Thai village life. They deal with the universal values that parents everywhere want to teach their children, such as good versus evil, right versus wrong, and wisdom versus foolishness.

Stories include "How The Thai Learned to Be Calm," when a small village argument escalates into a terrible war; "Princess Golden Flower and the Vulture King," in which a brave princess saves herself from an evil king; and "The Gold Harvest" in which a wise father-in-law tricks his lazy son-in-law into working hard for his family.

Curated and narrated by Marion D. Toth and illustrated by Thai artist Patcharee Meesukhon, this collection will provide children with an insight into the traditional Thai culture, and the values and lifestyle of its people. This book will be enjoyed by children ages six to ten, as well as by their parents.

Other Thai stories in this book include:
- How the Bay of Bangkok Came to Be
- Sri of Thailand
- There Is No Such Thing As a Secret
- Why the Tiger Is Striped
- The Footprint of the Buddha

Contributor Bio
Marion D. Toth is a writer and teacher with a fascination for folklore. A native of Montana, she received her B.A. in English Literature from Eastern College in St. David's Pennsylvania and her M.A. and D.Ed from the University of Pennsylvania. She has spent time in Thailand where she taught creative writing at the International School in Bangkok, and has published many articles about Thai legends and culture.

Thailand native Patcharee Meesukhon has illustrated numerous children's books for publishers in Thailand, Australia, India and other parts of the world.
Three Korean Fairy Tales
Beloved Stories and Legends
Kim So-Un, Jeong Kyoung-Sim

Key Selling Points:

- Three of the most familiar and popular tales that every Korean reads or is told as a kid
- The stories are told in simple, clear, accessible language and brought to life by a talented Korean illustrator
- This anthology lends itself to multiple sales channels including a library's folklore/mythology/multicultural needs while specifically answering the ongoing demand for multicultural picture books and fairy tales
- Will appeal strongly to the Korean-American community of over 2.5 million as well as to school teachers and librarians
- For ages 6 to 12 or as a read-aloud for younger children

Summary
This multicultural children's book presents a selection of traditional Korean folk tales that are instantly recognizable to Koreans of all ages. These treasured tales are retold by Kim So-un, an eminent storyteller who is a household name in Korea. The illustrations combine modern and traditional Korean art elements and techniques in telling these classic stories.

In the Tuttle tradition of bringing beloved stories from other countries to new generations of readers, this book presents the following tales:

- "The Magic Gem" answers the question why do dogs and cats fight? When the house feline recovers the story's prized title jewel, the family dog bears a grudge that is passed down through the ages.
- "The Deer and the Woodcutter" follows a merciful man who saves a deer's life and is rewarded with love and luck. When he's turned into a rooster, he expresses his joy each dawn through his loud crowing.
- "The Tigers of the Kumgang Mountains" concludes the anthology with a cautionary tale about overcoming challenges. A hunter's son sets out for revenge but instead learns that things are not always as they appear, and that persistence and sacrifice hold richer rewards.

With Three Korean Fairy Tales, kids and parents alike will learn about Korean culture by experiencing the country's rich storytelling tradition.

Contributor Bio
Kim So-un was an eminent Korean storyteller and a specialist in Korean poetry and folklore. A former journalist for a major newspaper and chief editor for the Korean Children's Educational Institute, he published two dozen books during his lifetime, including anthologies of poetry, folk tales, folklore, folk songs and critical essays. Kim So-un is also the author of Korean Children's Favorite Stories.

Jeong Kyoung-Sim enjoyed reading stories by Kim So-un when growing up, and is delighted now to illustrate his work. Kyoung-Sim is a graduate of the College of Fine Arts at Seoul National University. Her work is based on using traditional Korean colors, tones and painting methods in a modern style. She has illustrated a number of children's books, including Korean Children's Favorite Stories.

Basic Korean
Learn to Speak Korean in 19 Easy Lessons (Companion Online Audio and Dictionary)
Soohee Kim, Emily Curtis, Haewon Cho

Key Selling Points:
- Designed for beginning learners of Korean with no prior knowledge of the language
- Focuses on spoken conversational Korean rather than the written language, although Hangul is taught.
- Fully Romanized throughout
- Lessons are carefully structured so learners quickly gain the confidence to form their own simple, useful sentences the right way.
- Short dialogues with manga illustrations are intended for easy memorization so they can be internalized by the learner naturally and used later in conversations
- Free native-speaker audio recordings help teach correct pronunciation and intonation
- A useful English-Korean and Korean-English dictionary is provided at the back of the book

Summary
With an emphasis on practical daily communication, Basic Korean is a great introduction to those looking to learn the language—whether on their own or with a teacher.

Learn Korean quickly and easily with the help of real-life conversations by native speakers, everyday Korean vocabulary and expressions, easy-to-understand grammar explanations, notes on social etiquette for those traveling to Korea and so much more!

With the help of 19 individual lessons, free online audio recordings, lively manga illustrations, comprehensive vocabulary lists and a bi-directional English-Korean/Korean-English dictionary, students get a complete overview of this exceedingly-popular language with the help of this book.

Each self-contained lesson contains the following key elements:
- Authentic conversations to introduce new words and expressions
- Vocabulary lists with an emphasis on everyday words and phrases
- Simple notes explaining how to form sentences
- Practice drills and exercises to help internalize what you have learned
- Cultural notes explaining dos and don'ts, honorific language, etc.
- Native speaker audio recordings to help with pronunciation

Whether used for self study or in a formal classroom setting, Basic Korean allows you to begin communicating from the very first lesson!

JLPT Study Guide
The Comprehensive Guide to the JLPT Level N5 Exam (Free MP3 audio recordings and printable extras)
Clayton MacKnight

Key Selling Points:
- Over 300 JLPT sample test questions and 3 complete JLPT N5 practice tests with answers
- Covers all aspects of the JLPT exam with sample test questions for each part
- Contains grammar lessons with explanatory texts and sample sentence patterns
- Printable Hiragana, Katakana, vocabulary and kanji flash cards
- Three Complete printable tests with audio recordings for the listening portions
- Gives you a full overview of what to expect and what to study so you can prepare efficiently
- Author's JLPT Bootcamp website gets over 300,000 yearly visits

Summary
Don't worry—there's no need to stress about JLPT test prep!

As the founder of JLPTBootCamp.com—a test prep website with more than 300,000 annual visitors—Clayton MacKnight has helped tens of thousands of students to pass the JLPT N5 exam. Now, he's distilled his study resources and tips into a handy must-have volume for anyone prepping for this important language test.

MacKnight's complete study package fully prepares the exam-taker by providing:

- Clear and simple grammar lessons with sample sentence patterns
- Printable vocabulary, Hiragana, Katakana, and Kanji flash cards
- Over 300 sample test questions
- Three printable practice tests (all with answer keys and free online audio recordings for the listening portions)

Exam-takers can stop worrying and take the uncertainty out of exam prep because the JLPT Study Guide shows them exactly what to expect—and how to pass the test with flying colors!

The Japanese Language Proficiency Test (JLPT) is the standardized test taken by everyone who wants to study or work in Japan.

Contributor Bio
Clayton MacKnight has been living and working in Japan for over 15 years. He has been teaching English and for the last seven years has been blogging and creating JLPT resources which he posts at JLPTBootCamp.com. He has helped many thousands of students pass the JLPT in a shorter time and with a lot less effort than it would otherwise require.

Easy Burmese
A Complete Language Course and Pocket Dictionary in One (Fully Romanized, Free Online Audio and English-Burmese and Burmese-English Dictionary)
Kenneth Wong

Key Selling Points:

- Designed for beginning learners of Burmese with no prior knowledge of the language
- Focuses on spoken conversational Burmese rather than the written language
- Fully-romanized throughout
- Lessons are carefully structured so learners quickly gain the confidence to form their own simple, useful sentences the right way
- Short dialogues with manga illustrations are intended for easy memorization so they can be internalized by the learner naturally and used later in conversations
- Free native-speaker audio recordings help teach correct pronunciation and intonation
- A useful English-Burmese and Burmese-English dictionary is provided at the back of the book

Summary
Start reading Easy Burmese on the way to the airport and begin communicating as soon as you land!

Specially designed for beginning learners who have no prior knowledge of the language, Easy Burmese is fully romanized throughout and focused on conversational rather than written Burmese.

For a fraction of the cost of expensive language products, this book introduces all the basics of the language with an emphasis on practical daily conversations and vocabulary.

A complete language course and pocket dictionary in one, Easy Burmese includes:

- Free, downloadable native-speaker audio recordings to help you master correct pronunciation and intonation
- Structured, progressive lessons to help you build confidence and fluency quickly
- Practical dialogues focused on daily communication
- Manga illustrations to facilitate memorization
- Useful notes on the Burmese script and pronunciation
- Greetings, requests, honorific forms and etiquette tips
- A dictionary of commonly-used words and phrases

Kenneth Wong, a translator, author, and native Burmese speaker who emigrated to the United States, is the ideal guide for travelers who want to master spoken Burmese—fast.

Contributor Bio
Born and raised in Rangoon (Yangon), Burma (Myanmar), Kenneth Wong studied English at Rangoon University in the 1980s and bore witness to one of the seminal events of his generation—the 1988 student-led uprising against the country’s military
Easy Tagalog
A Complete Language Course and Pocket Dictionary in One! (Free Companion Online Audio)
Joi Barrios, Julia Camagong

Key Selling Points:
- Designed for beginning learners of Tagalog with no prior knowledge of the language
- Focuses on conversational rather than written language
- Fully Romanized throughout
- Manga illustrations with short dialogues will help the learner to easily memorize the phrases and to use them in conversations
- Free companion online native-speaker audio recordings help teach correct pronunciation and intonation
- A useful English-Tagalog and Tagalog-English dictionary is provided at the back of the book.

Summary
Easy Tagalog brings the Tagalog language and culture of the Philippines alive, giving you all the basics you need to start speaking Tagalog immediately.

This invaluable guide introduces all the basics of the Tagalog language, as well as vocabulary and tips for practical daily conversation. All dialogues are highly practical and authentic and illustrated with manga illustrations for easy memorization. There is also a glossary of commonly used words and phrases, useful notes, pronunciation, greetings, sentence structure, idiomatic expressions, etiquette, and cultural dos and don'ts included throughout.

A complete language course and pocket dictionary in one, Easy Tagalog includes:
- Native speaker audio recordings
- Useful notes on pronunciation and accents
- Focus on daily communications
- Structured, progressive lessons

Let Filipino experts Barrios and Camagong teach you how to enjoy this beautiful language. Start learning Tagalog on the plane and begin communicating effectively the moment you land!

Contributor Bio
Joi Barrios serves as a Lecturer teaching Filipino and Philippine Literature at the University of California, Berkeley after having served as an Associate Professor from the University of the Philippines Diliman (UPD). She has also taught at the Osaka University of Foreign Studies, UCLA, and UCI. She has won fourteen national literary awards and for her contributions to literature Barrios was among the 100 women chosen as Weavers of History for the Philippine Centennial Celebration. In 2004, she also received the TOWNS (Ten Outstanding Women in the Nation’s Service) Award.

Julia Camagong teaches Filipino at the College of Mount Saint Vincent in Riverdale, New York....
Easy Vietnamese
Learn to Speak Vietnamese Quickly! (Free Companion Online Audio)
Bac Hoai Tran, Sandra Guja

Key Selling Points:
- A compact, travel sized language learning book
- Contains free online audio with native-speaker recordings
- Enables effective communication from the very first day

Summary
Easy Vietnamese is the perfect beginner's book for anyone who wants to learn Vietnamese on their own or with a teacher.

This invaluable guide introduces all the basics of the Vietnamese language, as well as vocabulary and tips for practical daily conversation. There is also a glossary of commonly used words and phrases, useful notes, pronunciation, greetings, sentence structure, idiomatic expressions, etiquette, and cultural dos and don'ts included throughout.

Filled with useful practice exercises, and online audio recordings for all the dialogues, vocabulary and exercises,

Easy Vietnamese will have you communicating effectively very quickly!

Contributor Bio
Bac Hoai Tran holds an M.A. in English with a concentration in linguistics. He has been a lecturer at UC Berkeley since 1992 and is the author of Conversational Vietnamese and Anh Ngu Bao Chi (Newspaper English). He has translated many Vietnamese short stories that have appeared in The Stars, The Earth, The River as well as other anthologies. He is the author of Survival Vietnamese and coauthor of Colloquial Vietnamese and Living with English.
Indonesian for Beginners
Learning Conversational Indonesian (With Free Online Audio)
Katherine Davidsen, Yusep Cuandani

Key Selling Points:
- Targeted at beginning learners with no previous exposure to the language
- Designed to fulfill the requirements of International Baccalaureate (IB) courses
- Progressive, structured lessons on speaking, reading and writing Indonesian
- Learn about Indonesia's tremendous cultural diversity, places of interest and many more interesting facts through the lessons and notes.
- Free native-speaker audio recordings enable you to hone your speaking ability.
- Designed for International Baccalaureate (IB) courses

Summary
Selamat datang! Learn to read, write, and speak Indonesian!

By completing the 12 lessons in Indonesian for Beginners, you will learn not only to understand, speak, read and write basic Indonesian, but also about many important aspects of Indonesia's amazingly diverse culture, people, and places. This book provides a gateway to understanding the Indonesian language and country, and helps you to apply what you learn in a way that is relevant, meaningful and fun.

The course is structured around the concept of spending a year in Indonesia—experiencing different seasonal events which bring the learner on a journey. In this way, the cultural and background information becomes a natural part of the understanding of the Indonesian language and helps you to place what you learn into context within a full narrative about life in Indonesia.

Each chapter contains the following elements:
- An introduction with images and captions
- Grammar points
- A word bank presenting key vocabulary
- One or more sample conversations
- Listening practice and readings
- An "Indonesian and me" section that uses Indonesian to talk about yourself
- Key questions and statements
- Drills and exercises

Indonesian for Beginners includes reading, writing and speaking tasks based on authentic real-life materials. While aimed at learners taking a classroom course, it can also be used by anyone studying Indonesian in other ways—in a high school course or as a self-study book.

Contributor Bio
Katherine Davidsen is a language teacher who has lived and taught in Indonesia for over 15 years. She has a degree in Indonesian Language and Literature from Monash University in Melbourne, Australia. She is the author of Easy Indonesian and several dictionaries including Tuttle Concise Indonesian Dictionary, Periplus Pocket Indonesian Dictionary and has written a number of other books on Indonesian, as well as a Sundanese dictionary.
Indonesian Picture Dictionary
Learn 1,500 Indonesian Words and Expressions [Ideal for IB Exam Prep;
Companion Online Audio for each word]
Linda Hibbs

Key Selling Points:

- Over 1,500 key Indonesian words with simple sentences illustrating their use
- The words are grouped by themes and illustrated with over 750 color photographs
- Contains culture-specific Indonesian words and images not found in other picture dictionaries
- Indonesian script and English definitions for every entry
- Ideal for students and anyone who wants to learn the Indonesian language
- A brief introduction to the Indonesian language and online audio recordings to help with pronunciation are included.
- Index at the back allows you to look up the words.
- Ideal for International Baccalaureate (IB) Exam Prep

Summary
If a picture is worth a thousand words, there's no more valuable tool for mastering the Indonesian language than the Tuttle Indonesian Picture Dictionary.

Covering over 1,500 commonly-used Indonesian words and phrases, author Linda Hibbs provides the basic Indonesian words along with English definitions in a highly visual way that makes it easier to learn them. Indonesian vocabulary is grouped into 38 themes or topics, each with 35-45 words and several sentences. Richly illustrated with over 750 color photographs, the Indonesian Picture Dictionary covers basic vocabulary needed for anyone learning the Indonesian language and comes with free online audio recordings by Indonesian native speakers demonstrating correct pronunciation for all the vocabulary and sentences.

This dictionary also includes a brief introduction to the Indonesian language, an Index that allows users to look up any of the words in the book and culture-specific words and images not found in any other picture dictionaries.

Whether users plan to visit Indonesia or are learning Indonesian in a classroom, the Indonesian Picture Dictionary will help boost your language proficiency quickly!

Contributor Bio

Linda Hibbs first visited Indonesia in the 1970s as a child, inspiring her passion for the language and culture. She has been an Indonesian language teacher at both secondary and tertiary levels in Australia for over two decades and has an MA in Asian Studies. She is also co-author of the Indonesian textbook series Kenalilah Indonesia and also the author of All About Indonesia.
Tagalog Picture Dictionary
Learn 1500 Tagalog Words and Expressions [Includes Online Audio]
Jan Tristan Gaspi, Sining Maria Rosa Marfori

Markup Note: NEW FOR 2019

Key Selling Points:
- Over 1,500 key Tagalog words with simple sentences illustrating their use
- The words are grouped by themes and illustrated with over 750 color photographs
- Fully Tagalog texts and English definitions for every entry
- A brief introduction to Tagalog pronunciation and tones is included.
- Index at the back allow you to quickly look up any of the words or characters in the book.

Summary
This illustrated dictionary presents the 1,500 key Tagalog words and sentences that speakers need to know to communicate in Tagalog. The handy format and highly visual presentation make it easy to learn and remember the words.

The dictionary is organized into 38 themes or topics. Each section presents 35-45 words with dozens of color photos, and several sentences to demonstrate the correct usage of the words. Every word and sentence appears in Tagalog along with the English meaning. This useful learning tool features vocabulary and photos that are specific to the Tagalog language and Filipino culture—and are not found in other Tagalog dictionaries.

Richly illustrated with over 750 color photographs, this useful Tagalog language learning tool includes a brief introduction to Tagalog pronunciation as well as an English-Tagalog index for quick reference. The free online audio files feature native Tagalog speakers reading all the vocabulary and sentences, so students can learn correct pronunciation!

If a picture is worth a thousand words, there's no more valuable tool for mastering Tagalog than the Tagalog Picture Dictionary. Whether users plan to visit the Philippines or are learning Tagalog abroad, this useful resource will help boost their proficiency quickly!

Contributor Bio
Jan Tristan Gaspi graduated with Bachelor of Arts degree from University of California, Berkeley and had experience as an assistant researcher in writing a Tagalog textbook with a professor. He was previously a consultant and Editor-in-Chief for UC Berkeley annual Filipino publications.

Sining Maria Rosa Marfori earned her Bachelor of Arts degree in Philippine Studies from University of the Philippines. She taught Filipino language to foreign students in U.P. Diliman and Ateneo de Manila University. She co-wrote Instant Tagalog and Essential Tagalog. She is currently teaching basic to advanced Tagalog at a TV network's artist center.
Vietnamese Picture Dictionary

The Complete Guide to Japanese Drinks
Sake, Shochu, Japanese Whisky, Beer, Wine, Cocktails and Other Beverages
Stephen Lyman, Chris Bunting

Key Selling Points:

- Everything you need to know about the varieties of Japanese alcoholic beverages which are currently winning awards and converts around the world
- Covers not just Sake, Shochu, Japanese whisky and Japanese beer (the best-known Japanese drinks) but also Awamori, Umeshu and other fruit wines, and trendy Japanese-style cocktails
- Contains in-depth accounts of the history and production methods for each type of drink
- Includes practical guides to bars and retailers in Japan and around the world to assist the reader in conducting their own personal explorations of these beverages
- Hundreds of color photos document the history, varieties and current trends for each drink
- Co-author Stephen Lyman lives in NYC and is planning extensive local publicity for the book
- Includes multiple cocktail recipes

Summary

Drink your way through Japan (even from home) with the help of this book!

Japan is home to some of the world's most interesting alcoholic beverages—from traditional Sake and Shochu to Japanese whisky, beer, wine and cocktails that are winning global acclaim and awards.

In this comprehensive survey of Japanese drinks, Stephen Lyman and Chris Bunting cover all the main types of beverages found in Japanese bars and restaurants, as well as supermarkets and liquor stores around the world. The book has chapters on Sake, Shochu, whisky, wine, beer, Awamori (a moonshine-like liquor from Okinawa), Umeshu plum wine and other fruit wines. There is also a fascinating chapter on modern Japanese-style cocktails—complete with recipes so you can get the authentic experience, including:

- Sour Plum Cordial
- Sakura Martini
- Improved Shochu Cocktail
- Far East Side Cocktail

Thorough descriptions of the varieties of each beverage are given along with the history, production methods, current trends and how to drink them. Detailed bar and buyer’s guides at the back of the book list specialist establishments where readers can go to enjoy and purchase the drinks, both in Japan and other countries around the world.

This is an indispensable book for anyone interested in brewing, distilling, new cocktails or Japanese culture, travel and cuisine generally. Cheers!

100 Japanese Gardens
The Best Gardens to Visit in Japan
Stephen Mansfield

Key Selling Points:

- Includes everything from ancient and timeless aspects of the culture and landscape to contemporary aspects, such as Otaku culture
- Ideal for visitors to Japan and anyone with an interest in Japanese culture and history
- An immersive take on Japanese Gardens combining history, art, cultural commentary and travel information all in one handy volume that is highly portable and also highly visual
- Japan has nearly 30 million visitors a year, and is on track to become the most popular destination in the world over the next few years

Summary

100 Japanese Gardens is an ambitious attempt to profile the finest gardens in Japan, while also highlighting lesser known, but equally accomplished landscapes in less-visited parts of the country.

A celebration of Japanese landscape design, this book features gardens from Kyoto and Tokyo, as well as from the sub-arctic island of Hokkaido and the semi-tropical islands of Okinawa. Author Stephen Mansfield traveled the length and breadth of Japan on a quest to identify the most impressive gardens in this vast and culturally varied archipelago. His erudition and love of the Japanese garden shines through on every page, making this the perfect primer for travel to Japan or an enjoyable armchair read for gardening enthusiasts.

Mansfield’s insightful descriptions of each garden examine design concepts and principles, space management, compositional elements, and the iconographic and metaphysical role of Shinto and Buddhist influences.

Through his exquisite visuals and engaging stories, we experience Japanese garden designs not merely as landscapes, but as large-scale art installations.

Contributor Bio

Born in England, Stephen Mansfield is a nonfiction writer, journalist and photographer. A generalist with specific areas of interest, he has written and photographed extensively on Japanese and Asian subjects. Known for his distinctive writing style, Mansfield, one of the foremost photojournalists in Japan has, in books like Japanese Stone Gardens, and Japan’s Master Gardens, established himself as a leading authority in the field. The author of twenty books, including his most recent work Tokyo: A Biography.
The Art of Japanese Architecture

History / Culture / Design
David Young, Michiko Young, Tan Hong Yew

Key Selling Points:
- A comprehensive guide to Japanese architectural styles and buildings include UNESCO World Heritage Sites and major temples and gardens visited by millions of foreigners each year
- Contains detailed 3D isometric watercolor illustrations as well as over 200 color photos
- New edition has smaller hardcover format with 30% new photos at a lower price
- The only book to provide a detailed historical and cultural overview of Japanese architecture

Summary
The Art of Japanese Architecture presents a complete overview of Japanese architecture in its historical and cultural context. The book begins with a discussion of early prehistoric dwellings and concludes with a description of works by important modern Japanese architects. Along the way it discusses the iconic buildings and architectural styles for which Japan is so justly famous—from elegant Shinden and Sukiya aristocratic villas like the Kinkakuji "Golden Pavilion" in Kyoto, to imposing Samurai castles like Himeji and Matsumoto, and tranquil Zen Buddhist gardens and tea houses to rural Minka thatched-roof farmhouses and Shinto shrines.

Each period in the development of Japan's architecture is described in detail and the most important structures are shown and discussed—including dozens of UNESCO World Heritage Sites. The aesthetic trends in each period are presented within the context of Japanese society at the time, providing a unique in-depth understanding of the way Japanese architectural styles and buildings have developed over time and the great variety that is visible today.

The book is profusely illustrated with hundreds of hand-drawn 3D watercolor illustrations and color photos as well as prints, maps and diagrams. The new edition features dozens of new photographs and a handy hardcover format that is perfect for travelers.

Contributor Bio
David Young was born in the United States and spent his childhood in Sierra Leone, West Africa. After obtaining his Ph.D. from Stanford University, he taught anthropology at the University of Alberta in Canada until he retired in 1999 and moved to Japan to continue his teaching career. Together with his wife, he has conducted research on Japanese aesthetics for many years.

Michiko (Kimura) Young was born in China and raised in Japan. After graduating from Kyoto University of Foreign Studies, she moved to the United States and then to Canada, where she worked for many years in the international affairs office at the University of Alberta. She and husband David co-authored The Art of the Japanese Garden. The Youngs now live on Gabriola Island off the west coast of Canada.
The Art of the Japanese Garden
History / Culture / Design
David Young, Michiko Young, Tan Hong Yew

Chapter 1: The Origins of Japanese Gardening

Japanese gardening has a long and complex history that traces back thousands of years. It is deeply rooted in ancient beliefs and practices, as well as in the architecture and art of the East.

Chapter 2: The Development of Japanese Gardening

Over time, Japanese gardening evolved into different styles and techniques. From the early days of simple temple gardens to the elaborate examples found in the gardens of samurai warriors, the development of Japanese gardening is a fascinating journey through history.

Chapter 3: The Design of Japanese Gardens

The design of Japanese gardens is both an art and a science. It involves careful consideration of the materials used, the layout of plants, and the use of space and light. This chapter explores the various elements that make up a Japanese garden.

Chapter 4: The Imagery of Japanese Gardens

Japanese gardens are not just places to walk in, but also places to meditate and reflect. This chapter explores the imagery used in Japanese gardens and how it reflects the values of the Japanese people.

Chapter 5: The Gardening Industry in Japan

Today, gardening is a popular industry in Japan. This chapter looks at the current state of the Japanese gardening industry and how it is changing with the times.

Chapter 6: The Future of Japanese Gardening

As Japan continues to modernize, the future of Japanese gardening is uncertain. This chapter explores the challenges and opportunities facing Japanese gardening in the 21st century.

Appendix

A glossary of terms used in Japanese gardening, a list of recommended books and websites, and a brief history of the Japanese garden in the United States.
The Kitchen Herb Garden
Growing and Preparing Essential Herbs
Rosalind Creasy

Key Selling Points:
- Combines how-to, gardening reference and cooking in a simple and beautiful volume
- Dazzling full-color photos throughout
- Attractively priced
- By one of the premier and still active pioneers of natural gardening
- Creasy's magnum opus Edible Landscaping (Counterpoint/PGW 9781578051540 11/1/10 PB 409p $44.95) has sold nearly 22,000 copies per Bookscan
- Updated with new resources and a new preface by Rosalind Creasy

Summary
From Rosalind Creasy—a name synonymous with California's garden-to-table movement—comes an accessible guide to cultivating and preparing herbs.

If you buy only one herb gardening book, this should be it. Creasy takes you from seeds to stove top, from preparing the soil to elegant dining suggestions, with easy-to-follow instructions and inspirational ideas every step of the way.

Each section of this book presents vivid photos and practical information, including:
- How to design and grow an herb garden in just about any space—from a spacious plot to a tiny balcony—and in just about any climate
- A tour through many beautiful private herb gardens, including some of Creasy's own, as well as the garden of herb luminary Carole Saville and others
- A fully illustrated encyclopedia of edible herbs—from old favorites like basil, rosemary and sage to more exotic herbs such as lemon verbena and Mexican tarragon
- A savory selection of healthy herb recipes for side dishes, such as blends, butters and vinegars, main dishes from around the world and even cocktails and desserts
- Maintenance and organic pest control methods
- A list of resources for seeds and supplies

This herb guide is full of practical tips and tricks presented in a beautiful format—perfect for the gardener, aspiring gardener or home chef.

Contributor Bio
Rosalind Creasy is a landscape designer, a leading authority on environment-friendly gardening techniques, and the grande dame of the edible landscape movement. She has authored 18 books on gardening and cooking. Her garden, writing, and photography have been featured in such publications such as Mother Earth News and Better Homes and Gardens. Rosalind is a three-time winner of the Garden Writer's Best Book of the Year award and its Award for Excellence and an inductee of the Garden Writers Hall of Fame.
Japan Style
Architecture + Interiors + Design
Geeta Mehta, Kimie Tada, Noboru Murata

Key Selling Points:
- A reissue of a Tuttle classic in hardcover at a reasonable price
- The 20 traditional Japanese homes in this book epitomize the wabi sabi aesthetic of Zen simplicity that continues to grow in popularity around the world today
- A variety of traditional Japanese homes are included—from village farmhouses and Samurai villas to merchant townhouses and modern cottages
- Each house expresses a singular Japanese design ideal that is increasingly popular today

Summary
Japanese homes speak to the soul and provide a contemplative environment from which to experience the world. Japan Style offers rare glimpses into twenty exquisite traditional homes in Japan. The lavish photographs in this volume demonstrate how Japanese design achieves a timeless tranquility using a few very simple, natural elements.

Wood is the preferred building material since it is considered a "living" material; the country’s Shinto and Zen Buddhist roots have inculcated a deep respect for nature. The houses in this book are a wonderful reminder that there are alternatives to "big is beautiful"—and that neither timelessness nor modernity has to be about using cold steel, glass and concrete.

The wabi-sabi ideal, translated loosely by Frank Lloyd Wright as a "rusticity and simplicity that borders on loneliness," is considered the epitome of sophistication in Japanese interior design. The houses in this book invite us to rethink the wisdom of our hurried modern lifestyle and return to a simpler, slower life.

The quintessential Japanese aesthetic can be seen in a 100-year-old minka farmhouse, an old merchant’s machiya townhouse in Kyoto, a sprawling country Samurai villa, and in a modern seaside cottage. This book offers insights for architects and homeowners alike by providing inspiring and surprising alternatives, relevant to the design of homes anywhere in the world today.

Contributor Bio
Kimie Tada graduated from Rikkyo University (Tokyo) with a degree in English literature, after which she worked as the editor-in-chief of Confort a Japanese magazine that features traditional Japanese houses and interiors. She now runs I See All Inc., an editorial company which she founded in 2000.

Geeta Mehta teaches architecture and urban design at Columbia University in New York. A resident of Japan for 23 years, she is a partner in the firm of Braden and Mehta, and has designed projects in the USA, Japan, India, Vietnam and Indonesia. Educated at the University of Tokyo, Columbia University, and SPA in Delhi, she is the co-author of several books, including Japan Houses, Japan Living, Japanese Gardens and New Japan Architecture, all published by Tuttle Publishing.
