## **Unit 19, Part 1: Translation Exercise**

| NAME  | COURSE                         | DATE                              |               |
|---|--------------------------------|-----------------------------------|---------------|
|   |                                |                                   |               |
| Translate the following sentences into consult the English-Chinese Glossary |                                | rect tone marks. If you have forg | otten a word, |
| 1. I'm sick; I'm a little dizzy.  |                                |                                   |               |
|   |                                |                                   |               |
|   |                                |                                   |               |
|   |                                |                                   |               |
|   |                                |                                   |               |
| 2. He goes running every day.   |                                |                                   |               |
|   |                                |                                   |               |
|   |                                |                                   |               |
|   |                                |                                   |               |
|   |                                |                                   |               |
| 3. I should have come see you a lon   | g time ago.                    |                                   |               |
|   |                                |                                   |               |
|   |                                |                                   |               |
|   |                                |                                   |               |
| 4. These last few weeks I've been ve  | ary husy and never had time    |                                   |               |
| 4. These last lew weeks I ve been ve  | ily busy und never had time.   |                                   |               |
|   |                                |                                   |               |
|   |                                |                                   |               |
|   |                                |                                   |               |
| 5. The parents are busy earning mor   | ney; the children are busy spe | ending money.                     |               |
|   |                                |                                   |               |
