## **Unit 19, Part 1: Substitution Drills**

Listen to the audio; after each prompt, say the new sentence using that substitution. Do each drill at least twice: first with the book open, then with the book closed. Each drill starts with a model sentence for you to repeat.

| 1. Xiăo Lín zài wòfáng                                 |  | tăng      | zhe ne. | Little Lin is lying in the bedroom.                    |
|--|--|-----------|---------|--|
|  |  | shuì      |         | Little Lin is sleeping in the bedroom.                 |
|  |  | xiūxi     |         | Little Lin is resting in the bedroom.                  |
|  |  | zuò       |         | Little Lin is sitting in the bedroom.                  |
|  |  | dĕng      |         | Little Lin is waiting in the bedroom.                  |
|  |  | tăng      |         | Little Lin is lying in the bedroom.                    |
| <ol> <li>Jīntiān gēn zuótiān bíqilai yĭjīng</li> </ol> |  | hăo       | duöle.  | Compared to yesterday, today is much better.           |
|  |  | liángkuai |         | Compared to yesterday, today is much cooler.           |
